### 1996-1997

Patch donations financed the purchase and delivery of camping, scouting, and first aid equipment to the Scouters in the Ukraine and Siberia. We also provided funds directly to the Siberian Scout Association for general scouting purposes through USFIS.

### 1998

Scouts in Grenada and Dominica in the Caribbean and Scouts in Nicaragua in Central America were the recipients of camping equipment, medical supplies, and Scouting supplies thanks to your donations. We also sent funds directly to the respective Scout Associations thru USFIS for their general use.
