

JOTA/JOTI 2020

The Golden Gate Area Council International Committee presents **Jamboree-on-the-Air (JOTA) 2020** and **Jamboree-on-the-Internet (JOTI) 2020**.

Jamboree-on-the-Air is an annual International event in which Scouts and Guides all over the world speak to each other by means of amateur radio. Scouting experiences are exchanged and ideas are shared, via the radio waves. Each year about half-a-million Scouts and Guides “get together” over the airwaves for the annual JOTA.

JOTI is a similar event but uses the Internet.
