We would prefer to email the certificate to you, however if necessary we can mail, you will then forward to the property owner.

Please note:

- ✓ GGAC requires 12 working days to process a request. General turn around time is much less, however if there are amount or wording changes more time is needed to have COI provided by National Office. Requests one month in advance are not uncommon.
- ✓ There are additional clauses we cannot add to a COI. These change periodically. We will let you know as quickly as possible if we cannot provide what you are needing.
- ✓ Service Projects: The property owner is benefiting by your service project and as such should be covering the liability needs of your project. If this is not the case please contact us.
- ✓ An endorsement cannot be produced for any certificates for any reason. When necessary we will provide an general endorsement. This is usually for school districts.
- ✓ Certificate year is March 1 through last day of February. We generally do not receive the new certificate until the end of February. All annual certificates will be done immediately, such as school districts, churches, etc.
- ✓ DO NOT contact the National office directly. They will request that you call us. All requests must go through your local council.
- ✓ All requests should be submitted by adult leadership, not by Scouts.
