# GOLDEN GATE AREA COUNCIL BOY SCOUTS OF AMERICA

## eNews - April 16, 2022

### We're making changes . . .

With the pandemic hopefully consigned to the rear view mirror, we're seeing a lot more activity. It's a good great thing but it's making the eNews unwieldy. We're changing that starting with this edition. We've identified a number of broad categories and we'll use the regular eNews editions to publish simple lists of activities and links. But, there's more . . .

We will be sending special edition eNews editions focused on specific areas and topics. The broad groupings include Camping, Training, Events, Resources/Technology, and Scouting in Action. With targeted messaging, there will be an increase in the frequency of messages that we hope is compensated for with useful and timely relevance.

**SAFETY MOMENT** - Are you Reporting incidents?

No? You need to. Timely and complete incident reporting provides the council and BSA with an opportunity for analysis of incidents that occur and promotes continuous improvement of our program. Additionally, failure to report incidents can have adverse insurance and legal ramifications.

The easiest way to report injuries, illnesses, property damage, and near misses is at [safety@ggacbsa.org](mailto:safety@ggacbsa.org). We need the reports as soon as possible. You can get more info and report forms on the [Incident Reporting](#) webpage.  
(Remember, for youth protection (YP) related incidents, follow the procedures you learned in your YP and state training.)
