SAFETY MOMENT - Safety Moments

It just takes a moment to make your pack, troop, crew, ship, or district/council meeting a little bit safer.

Safety Moments are exactly what the name implies: opportunities to prepare for an activity, review safety measures, and report incidents correctly. Use one at the start of every meeting and be sure to get the youth involved. BSA has a large [library of safety moments](#) which include reporting helps, safe use of medication in Scouting, weather-related safety, winter activity, and winter sports.
