## Golden Gate Area Council Mission & Vision

The camps of the Golden Gate Area Council are some of the longest running scout camps in the Western United States. Camp Royaneh opened in 1925, Camp Wolfeboro in 1928, and Wente Scout Reservation in 1959. Each becoming a special place for Scouts of all ages.

The mission of our Camp staff is to facilitate an environment where scouts will be engaged in unique, evolving programs, while building character through the aims & methods of scouting in a safe, outdoor environment.

The goal of our Camp staff is to promote a profound reverence for the outdoors. We establish, maintain, and provide a traditional camping environment that can be enjoyed by all ages for many years to follow.

The Scout Oath and Scout Law are at the core of our Camps. As your Scouts participate in our camp programs, we help your unit utilize the "Patrol Method", so your scouts learn and develop leadership skills. Additionally, we expect your scouts to use the "buddy system" at ALL times.

The best aspect of program at Camp is that it is YOUR program. The staffers of Camp Royaneh, Camp Wolfeboro, and Wente Scout Reservation are here to assist you in providing that program so, BE PREPARED!

**On My Honor** I will do my best

To do my duty to God and my country and to obey the Scout Law;

To help other people at all times;

To keep myself physically strong, mentally awake, and morally straight.

**A Scout is:**

Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient,

Cheerful, Thrifty, Brave, Clean, And Reverent.

## Youth Protection

The BSA's adult registration requirements mandate that **all adults** accompanying a Scouts BSA Troop to a resident camp or other Scouting activity lasting 72 hours or more **must be registered as an Adult Leader, including completion of a Criminal Background Check (CBC) and Youth Protection Training (YPT) prior to the start of the event.** <https://training.scouting.org/learning-plans/1179> In addition, the State of California passed AB506 that went into effect on January 1<sup>st</sup>, 2022. All registered BSA volunteers, employees, and other volunteers who are 18 years or older and who have direct contact with, or supervision of, children for more than 16 hours a month or 32 hours per year must complete a Live Scan background check and complete online mandated reporter training. Requiring registration, background checks, Youth Protection Training for all adults (18+, even if registered as a youth participant in Venturing or Sea Scouts) on Scouts BSA extended activities and complying with AB506 adds another dimension of protection for our Youth. To learn more please visit: <https://californiascouting.org/>.

- This requirement applies to any adult accompanying a Scouts BSA group on a single Scouting activity where they are present for three or more nights (not necessarily consecutive)
- Adults **must** be registered as leaders, **including the completion of a Criminal Background Check (CBC) and Youth Protection Training (YPT) before the activity** (CBCs cannot be expedited)

Note: under normal circumstances it can take up to 3 weeks for a CBC to be completed – with many new adult registrations across the country at that time, it may take even longer - BE PREPARED by registering and completing your YPT and CBC early so as not to be told you cannot attend camp because it did not come back yet.

In accordance with the National Youth Protection Policy, we have instituted the following Council policies:

- Adults must maintain two-deep Leadership in Camp at all times.
- Notify the Camp Administration prior to arrival if you will have difficulties doing so.
- Adults must respect the privacy of Youth members.
- Adults & Youth will not share sleeping facilities at any time and Scouts must be within two years of age to share sleeping facilities.
- All Youth will respect the privacy of others regardless of age, gender, or relationship.
- If private issues between a Youth and an Adult must be dealt with, two-deep Leadership must be maintained during the conference, health check, or other event.
- See the Camp Administration if you or your Unit need assistance or advice in this area.

## COVID-19

To the Parents, Leaders, and Scouts:

Welcome to the 2023 Golden Gate Area Council (GGAC) summer camp season. GGAC volunteers and professional staff are diligently preparing an exciting and safe summer camp experience for our young men and women.

In this edition of the *Golden Gate Area Council Leader Guide*, we want to address the continuing COVID-19 pandemic. At the writing of this guide, the COVID-19 mitigation procedures necessary for our summer resident camps are undergoing a continuous review process, just as the COVID-19 landscape continues to evolve. We are enlisting the aid of a great number of key stakeholders including:

- Our Council Professional staff,
- Key Council committee volunteers,
- Each Camp's staff,
- The County and Local Health agencies in all eleven counties that encompass Golden Gate Area Council and its camps,
- The State Health agencies,
- American Camping Association (*Field Guide for Camps*), and
- Boy Scouts of America National staff.

Our program's elements will likely include a mix of testing and/or vaccination verification that will be required prior to your departure for camp. This will be coupled with health checks upon arrival and consistent monitoring of all camp personnel and campers with follow-up tracing after departure.

Since this is still a work-in-progress, we will be releasing updates to this guide when those policies and procedures are more substantive.

Our paramount concern is the health and well-being of all those at camp and their families at home.

Sincerely,

**Mike Hale**  
GGAC Council Executive

**Tom Weibert**  
GGAC Council President

**Michael Allison**  
GGAC Council Commissioner

## 2023 Camp Fees, Explained

Camp Fees are being raised just over 13% from 2022 to 2023. As a Council led by volunteers, it is important that all our parents and volunteers understand how we arrived at this fee increase.

Inflation has increased:	o Transportation 17.2%
o Energy costs: 25.9%	o Commodities less food & beverage 12.4%
o Gas and Diesel 32.1%	o Food 10%

- Based on current trends, we expect inflation to continue to raise these direct costs as we move into summer 2023.
- Additionally, the State of California has imposed a wage increase of 3.3% to the minimum wage.
- For Scouts from councils that do not have an In-Council resident camp option, Out-of-Council fees have been removed.

Food, energy, and wages are the largest expenditure categories for our camps. We will “Be Prepared” to have a sustainable and fun filled summer camp in 2023.

All fee increases were evaluated and approved by the Council Camping Committee and GGAC Executive Board.

## Council Refund Policy

The Golden Gate Area Council has instituted a refund policy to ensure our Scouts receive high quality programs and activities. A great deal of advanced planning and purchasing takes place for programs and events of the Golden Gate Area Council during the months and weeks prior to an event.

The Council will refund up to 100% of the costs for any event it cancels due to COVID-19. In order to maintain the most cost effective and positive program impact activity, camping, and event refunds of 100% cannot be given. Refunds are not given for No-Shows, schedule conflicts, weather conditions, or behavior issues occurring before or during the event. Refunds are considered based upon the following criteria and timeline and are returned to the person or entity and in the manner in which they were received.

Time Until Start of Event	Percentage Refund
Up to 14 days prior	80% refund
Up to 7 days prior	60% refund
7 days or less	No refund*

\*Participants who cancel from an event within 7 days will be considered for up to a 60% refund if the refund request is accompanied by a Doctor's note. Requests under these circumstances will not be considered if not received at the Council Service Center less than 14 days after the start of the event.

## Camperships

The Golden Gate Area Council believes each Scout should be given every opportunity to attend Camp. At times it can be hard for a family to raise the money, and Camperships can help cover part of the cost of a week of Camp for Golden Gate Area Council members attending one of the Golden Gate Area Council Camps. Campership applications are due by March 30<sup>th</sup> for continuing Scouts and May 25<sup>th</sup> for newly bridged Arrow of Light Scouts. (<https://ggacbsa.org/resources/>)

## Early Arrivals

**Due to the need for Staff time off, Saturday arrivals are NOT allowed.**

ALL of our Camps are **CLOSED** and the Staff is off duty from 11:00 AM on Saturday to 11:00AM on Sunday each weekend.

## Provisional Camper

**No Troop.....No Problem!** You don't have to miss out on all the fun just because your troop isn't going to summer camp or because other summer plans mean you won't be able to go to camp with your Troop. You may even want to do an additional week of camp just because you had such a great time.

**New Friends.....New Experiences!** Provisional Camping is just like camping with your home troop, except you'll have the opportunity to camp with new friends as you join Scouts from all over the council and beyond. You'll meet new people and have the opportunity to develop friendships that can last a lifetime. Provisional Scouts will partner with a selected Golden Gate Area Council Troop with an experienced leader. You'll have a full time Scoutmaster for the week that, just like your Scoutmaster back home, will make sure you have a safe and fun camp experience. Provisional scouts can participate in all of the camp's exciting programs including advancement, competitions, and patrol events. It's a great way to finish additional Merit Badges, or to try a new part of the program that you weren't able to try before.

### NOTE:

1. First-year summer campers cannot attend as Provisional. Youth must have attended at least one Summer Camp at the camp prior to this year.
2. We will contact you after receipt of your reservation to coordinate registration into specific camp programs, get health forms, emergency contact info, permission slips, etc...
3. Adults attending with provisional Scouts must pay a leader fee.

SO, sign up now if you'd like to attend camp as part of the provisional camping program!

Provisional Camping is the creation of a temporary Troop or an opportunity to work with another unit. Provisional camping allows youth to attend camp without their home unit. Provisional camping is not new; it is used during many different Scouting events including National Jamborees and High Adventure trips.

The Scout's family is responsible for transportation to and from Camp. Please contact the Golden Gate Area Council Camping & Outdoor Programs Department ([GGAC.Programs@gmail.com](mailto:GGAC.Programs@gmail.com)) for questions or more information.

## Sunday Check-In

Camp Check-In is scheduled from 12:00 noon until 2:00 PM on Sundays. Your assigned Camp Staff Member(s) will be awaiting your arrival and meet your unit at the Camp parking lot, and then assist you in settling into your campsite and starting your camp tour and check-in. Please do NOT enter camp without completing the initial Check-In.

**Camp Wolfeboro Note:** The camp truck will be at the top of the hill to assist transporting gear into camp. Units should plan to arrive at upper parking lot between 11:30 AM and 1:00 PM to allow enough time to hike the 2.5 miles in and set up camp.

## Required Forms

BEFORE departing home please collect and double check the following documents are complete. Have them readily accessible at Camp to speed up the check-in process. **All campers (adults and scouts) must have all their paperwork and will not be allowed to enter camp without it.**

[BSA Annual Health and Medical Record](#) - ALL Campers, Youth and Adult, must have a current, completed BSA health form with all three sections (parts A, B, and C) and all appropriate parental & doctor signatures. The Health and Medical Record must be valid for the camper's entire stay. They

must be renewed annually. None of the Camps are staffed with personnel capable of completing the physical on-site.

[Firearms Permission Slip](#) (see page 85): Youth campers are required to have an Official Firearms Permission Slip to participate in all Shooting Sports activities at Camp. Four (4) signed copies are required per Youth. Troops will submit 3 sets sorted alphabetically by last name. The 4<sup>th</sup> copy should be carried by the Scout any time they are at one of the ranges.

## Transportation & Parking

### Transportation to Camp

Each unit committee plans and provides its own transportation to and from camp. The Check In & Out sections of this guide should be used in planning your trip.

**Camp Wolfeboro Note:** The Wolfeboro access road is accessible using 4X4 or high clearance vehicles ONLY. If you bring your personal vehicles down the road, you are doing so at Your Own Risk. It is highly recommended to not bring sedans/coupes down the access road.

### Parking

Camp speed limit is 5 mph. To protect the health and safety of Campers & conserve Camp property. Council policy states that personal vehicles are not to be used on In-Camp service roads. Leaders and visitors should park in the parking lot near the main area of Camp. ALL Vehicles should stop in this lot and Scouts should pack in all personal gear from this point. Parking in Campsites is not permitted.

All vehicles must back-in to park for evacuation purposes. Please remember our Camp properties are fragile environments, keep your vehicle on the main Camp Road. All vehicles should remain in each Camp's central parking lot throughout the week unless you are exiting or entering Camp. Everyone who brings a vehicle onto the property is responsible for keeping their keys on their person at all times in case of an emergency.

Any adults wishing to leave Camp during the week should ensure their Troop leadership know where you are going and when you will return. Leaders leaving Camp at any time need to check out and back in at the Camp Office. For emergency purposes, the Camp Administration must be able to account for each and every Scout and Scout leader at all times.

Camp Wolfeboro Note: There is extremely limited parking at the bottom and top of the hill.

### Troop Trailers

All Troop equipment trailers at camp must be parked so as not to obstruct the free flow of traffic.

### Tenting

Camp Royaneh and Wente Scout Reservation provide traditional canvas wall tents, whereas units attending Camp Wolfeboro must provide their own tents and transport them to and from camp. Each unit is responsible for providing adequate sleeping space for all members in attendance. Camp Wolfeboro does not provide platforms.

The entrance to each tent must be clearly marked with "No Flames in Tent" and have full dirt and water buckets nearby, per BSA regulations. (Camp makes every effort to have ample containers available.)

Camp Royaneh & Wente Scout Reservation Note: It is vital to respect and maintain the canvas wall tents. Due to past accidents, it is necessary to hold units accountable for damage to tents in use during your stay. Prime examples of damage include Scouts practicing woodcarving, using their pocketknives in their tent and cutting the walls of the tents. These types of accidents are irresponsible of the Scout and disrespectful of the equipment and Camp Property.

Upon arrival your Troop Leadership will inspect tents with your Troop Guide noting any previous damage. During checkout, if any new damage is found, Troops will be responsible for a charge of \$12 per inch up to the replacement cost of the tent. Normal wear and tear is understandable. The Camp Director has the final say on damage.

The additional \$10 per Scout fee for Camp Royaneh and Wente Scout Reservation is used for capital improvements for tent platforms and tent replacement.

## Medical Checks

All Scouts and Scout leaders must go through a medical re-check with Camp personnel upon arrival.

All prescription medication brought to Camp must have original containers and original instructions for administration. At minimum, one adult leader will be required to work with Scouts to administer and track medications in the Troop medication log provided at Camp.

The camp Health Officer will review all prescribed medications listed on the Annual Health & Medical Record during the Med Check.

Incomplete health forms, **including the physician's signature** for Part C will delay the participation of Scouts in Camp activities until completed forms are faxed to Camp. A failure to supply a valid form will necessitate the Scout being picked up from camp.

## Dining Hall

During your unit's Check-In and Camp Tour, your unit will receive a Dining Hall orientation. Please alert the Dining Hall Steward of food allergies or dietary restrictions. ***In 2023, we will be continuing with special Covid-19 protocols. Some dining may be "take-out", not the usual family or cafeteria style in the dining hall.***

The first meal served at camp is Sunday dinner, and the last meal served is Saturday breakfast. For 2023, your unit must provide two hosts for every table that is assigned to the unit. The hosts will come to the dining hall to retrieve each meal or set up the table for the meal. For 2023, the hosts should plan to report to the dining hall 15-20 minutes before each meal.

**Camp Wolfeboro Note** – Meals in Dining Hall are served using serving-line style. Wednesday dinner ingredients are provided by the Dining Hall, but the meal is prepared by the units in their campsites. Units are to bring stoves and necessary cooking equipment with them.

Dietary Needs – Please note ANY scout or Adult leader with food allergies or religious dietary restrictions during online registration. For severe allergies or more complex needs than can't be listed easily, email [camping@ggacbsa.org](mailto:camping@ggacbsa.org) three (3) weeks prior to arrival. Please submit items you can eat as well as those you can't.

**NOTE: NO ONE is allowed in the Kitchen Area without permission from the Kitchen Supervisor.**

## Camp Administration

**Camp Royaneh** - the Administration Building is home to the Camp Office, Health Lodge, Safe Deposit Boxes, Program Office, Chief's Room filled with camp history, Unit Mailboxes, and Trading Post.

**Camp Wolfeboro** - the Program Office (PO) is located above the Trading Post. This is where you will find the Unit Mailboxes, Lost & Found, a Lending Library, and the History of Wolfeboro. This also the location for most Unit Leader meetings and Senior Patrol Leader Meetings.

**Wente Scout Reservation** - the Administration Building is home to the Camp Office, Skunk's Den with camp history displays, Trading Post, Lost & Found, Health Lodge, and Unit Mailboxes.

## Trading Post

If you're looking to purchase camping gear, a camp souvenir, or even a snack, the Trading Post is your one stop shop for all camp necessities. Forgot your toothbrush? Don't worry! Our Trading Posts carry toiletry products that you might have left at home. Trading Posts are stocked with Camp T-shirts! Our pocketknife selection is ever-changing, so make sure to bring money and check out the current stock. Don't forget to have proof that you earned your Totin' Chip with you when you get to the register!

The Trading Post, which is open after meals and during program time, is the place for you to pay for Open session project materials, Target & Range Sports tickets, and trail rides! You can also pickup patches, neckerchief slides, and belt buckles, many unique to specific years of camp. The Trading Post staff is happy to accept cash, check, and all major credit cards.

On average, a Scout spends \$100 during their week at camp. This amount will depend upon the Scout's personal needs and whether the Scout's interests require special purchases such as free shoot rifle range targets or non-merit badge handicraft items. We ask that Scouts come with small bills to aid in making change. For \$100, we recommend one \$20, four \$10, six \$5, and ten \$1.

Target & Range Sports tickets are available for purchase at all Trading Posts. Tickets are \$2 each.

- Archery is Free
- Black Powder: 1 Ticket = 2 shots
- Rifle: 1 Ticket = 1 target, 5 shots per target.
- Shotgun: 1 Ticket = 1 clay pigeon, 1 shot per pigeon

## Camp Commissioners

Camp Commissioners are at Camp to assist your Troop leadership. As the front-line Staff of our summer Camp team, your Camp Commissioner will meet with you daily to see how things are going, follow up on any issues, and help out whenever possible. The Commissioner Staff is your Troop's first source to check with and they will get your questions answered so your Scouts can enjoy the best Camp has to offer. Each Troop will have a Commissioner assigned to them for support throughout the week. Your Commissioner will be your primary program and communications link.

The Commissioner Staff can:

- Help your Troop and its patrols to sign up for activities.
- Help you understand Camp program & how to take advantage of its features.
- Help you secure Campsite equipment.
- Assist with developing the leadership skills of your Patrol Leader and Senior Patrol Leader.
- Help arrange inter-Troop activities such as Campfires, games, etc.

- Work with Adult Leaders to resolve any problems that may arise during the week.
- Encourage Troop and patrol spirit through development of flags, yells, and songs.

## Leader's Meeting

Each camp holds a Leaders' Meeting Sunday afternoon or evening. This meeting allows you to meet the Camp Director, Program Director, Camp Commissioners, as well as other Unit Leaders (Youth and Adults). The Camp Staff will provide an overview of some Camp policies and programs. **It is highly recommended that both your Scoutmaster and Senior Patrol Leader attend this meeting.**

## Visitors

In 2023, Day Visitors will be allowed at camp. [REDACTED]

Visitors are welcome at each Camp; however, there are a few things to keep in mind before inviting visitors. Camp does not have separate visitor accommodations, and it's important for parents to remember that Scouts will probably be busy with Camp activities. Due to liability considerations, only registered participants may participate in Camp programs.

The best time to visit is the last full day of each session (Friday). The cost is \$80 per person per calendar day, meals included.

**Camp Wolfeboro Note** - Friday Night "Old Goats" dinner is \$20 per guest. Youth under 6 eat for free.

## Troop & Patrol Flags

Baden-Powell said, "The patrol method is not a way to operate a "Scouts BSA" troop, it is the only way." To help provide recognition of patrol spirit, we encourage your Patrols to bring their flags to camp along with your unit's flag. Each campsite has a flagpole for our country's flag and Troops are strongly encouraged to hold Troop flags each day.

## Uniforms

Field uniforms (a.k.a. "Class A") are worn at all flag ceremonies and at morning and evening meals. During the day and evening, Scouts should wear attire appropriate to the program area in which they are participating. Activity uniforms ("Class B's") are highly recommended. There are **NO laundry facilities** available to campers.

Scout appropriate attire is required at all times. Swimsuits & sleeping attire are **not** acceptable at meals.

## Adult Leaders

### Training Opportunities

Camp can be a fun and relaxing learning experience for adults. During the week, Adult Leaders may participate in **Safe Swim Defense, Safety Afloat, and Climb on Safely**. Pending demand by participants and available trainers, the courses to become a trained Scoutmaster or Assistant Scoutmaster such as **Scoutmaster Specific, Leave No Trace/Outdoor Ethics, and Introduction to Outdoor Leader Skills (IOLS)** may be offered each week. Completion of Introduction to Outdoor Leader Skills requires participation in an overnight hike and campout. Please bring a copy of your membership card or number for record keeping purposes. (not required but highly recommended)

### Volunteer Opportunities

If an adult has **specialized skills such as plumbing, electrical, carpentry, shooting sports, or medical expertise** and would like to help with projects around each camp, please contact the Golden Gate Area Council Service Center, and we'll get you set up to help on one of the many projects at each camp.

Troops will need to transport any Scout in their Unit to the Merit Badge session field trips listed below, with no 1-on-1 contact in the vehicle and while maintaining two-deep leadership at camp, in compliance with BSA Youth Protection Guidelines and the State of California requirements.

## Check-Out

### Leaving Camp Midweek

- All Units or groups of Scouts must check out at the Camp or Program Office before leaving Camp property, such as a day hike to Wolfeboro's Upper Falls.
- Adults who leave during the week must check out at the Camp or Program Office.
- Adults returning to Camp must check back in at the Camp or Program Office upon arrival.

### Youth Early Release from Camp Property

For the safety of all Scouts attending Camp, it is the policy of the Golden Gate Area Council to follow these procedures in the event that a Scout must leave earlier than the whole Unit. The following must ALL be in the Camp Office together prior to departure (known at Camp as the Magic 5)

1. The Scout - The Scout must be present and sign out with the Adult Driver's signature.
2. Scout's Annual Health & Medical Record must list the driver as an Authorized Adult.
3. Adult Driver picking up the Scout must report directly to the Camp Office upon arrival.
4. Adult Driver's License and Insurance will be checked for validity.
5. Adult Leader Remaining in Camp verifies Unit knows when and with whom the Scout left.

In an emergency, these procedures can be suspended by mutual agreement of the Camp Director and the Adult Leaders of the Scout's Troop. If such an emergency is declared, Adult Leaders from the Scout's Troop will be solely responsible for verifying safe transportation for the Scout, and that the Scout leaves with an approved Adult. In an extreme emergency, an Adult Staff member may be appointed to transport the Scout. The Golden Gate Area Council, BSA is not responsible for Scouts leaving Camp on an emergency basis, regardless of who transports the Scout.

### Troop Check-Out

Troops should plan on checking out by 10:00 AM on Saturday. Your assigned Staff Member will come to your Campsite directly after breakfast to check you out. The Staff Member, SPL, and an Adult Leader will inspect the site for any damage to Camp property. Troops will be charged for any damage that occurs. Be sure that some Scouts remain in the site to help with any final details:

- Tents/Cabins are swept clean, free of trash; tent flaps down; tents, poles & platforms are free of damage. (Camp Royaneh & Wente Scout Reservation)
- Trash is placed in dumpster by the Dining Hall.
- KYBO is swept & washed out with toilet paper stocked.
- KYBO Supplies are present, undamaged & cleaners are stocked.
- Fire Tools are present, undamaged & fire buckets are filled with water or dirt.
- Bulletin Boards are emptied of all Troop paperwork.
- All equipment checked out has been returned.

Tents, poles, and other Campsite equipment will be checked for damage. Your Troop will be charged for any damaged equipment. The Camp Director has the final say on damage. After your site is checked, bring the check-out form to the Camp or Program Office for final check-out.

Remember to:

- Turn in Camp Evaluations.
- Stake-A-Claim for 2024.
- Double-check your Troop mailbox.
- Pick up Medications and Medical Forms from Health Lodge.
- Pick up Camp Patches from Camp or Program Office.

## Health & Safety

### Communicable Diseases

With the Covid-19 Pandemic declaration expiring, we are shifting back to a common sense policy of preventing the spread of communicable diseases. In other words, if any camper (Adult or Youth) or drivers are showing the following signs and/or symptoms within the 24 hours of arrival at camp, please stay home: Running a fever (>100.4 °F), Vomiting, Diarrhea, or New Cough.

### Pre-Camp Procedures

### Procedures at Camp

## Post-Camp Procedures

### Health

#### Health Facilities

Each Camp has a well-equipped Medical Lodge with a Health Officer trained to handle minor accidents and illnesses.

For each camp arrangements for treatment of more serious cases have been made with medical clinics and hospitals in the surrounding communities. If such treatment is required, attempts will be made to notify the camper's parents. Their desires concerning further treatment will be accommodated wherever possible.

1. It is the responsibility of the unit leadership to provide transportation for unit member(s) requiring services from a doctor or hospital. The camp will provide transportation only when a unit has inadequate transportation, or if an injury requires medical personnel with emergency transportation.
2. One adult leader from the unit must accompany the unit member(s) requiring services to the doctor or hospital. The adult leader must obtain the Scout's health record and any insurance forms from the Camp Health Officer before going to the doctor or hospital. Also, two-deep leadership still applies.
3. Since parent(s) or guardian(s) will be notified of any serious illness or injury, they should provide information about where they can be located if they will not be at home during the week of camp.
4. The Camp Health Officer must clear all cases requiring outside medical care. This is an agreement with the local health services facility and usually required by insurance companies for claim procedures.
5. Those leaving camp **for any medical reasons** should check out with the Camp Health Officer. Upon returning to camp, they must check back in with the Camp Health Officer and show documentation of release and any medical restrictions and care.

If not returning to camp, notify your Unit Leaders at camp or leave a message with the Camp Office.

#### Health Personnel

A qualified Health Officer is on duty at all times during your stay. The Health Officer is located in the Health Office in the Camp Administration Building. The Camps have arrangements with a local clinic nearby and have access to an ambulance service and hospital in the event of an emergency.

#### Medical Emergencies

In the unlikely event of a medical emergency while at camp:

**Camp Royaneh**, the patient will most likely be transported to Russian River Health Center. Urgent Care cases will be sent to Urgent Care clinics in Santa Rosa. After hours cases will be sent to the Sutter Santa Rosa Regional Hospital.

**Camp Wolfeboro**, the patient will most likely be transported to Mark Twain Medical Center in San Andreas, CA. Urgent Care cases will be sent to Urgent Care clinics in Arnold or Angels Camp.

**Wente Scout Reservation**, the patient will most likely be transported to Howard Memorial Hospital in Willits, CA. Urgent Care cases will be sent to Urgent Care in Willits.

## Medications

The Boy Scouts of America National policy states:

“All prescription drugs (including those needing refrigeration) are to be kept in locked storage and in compliance with local & state laws. An exception may be made for a limited amount of medication to be carried by a Camper, leader, parent, or Staff member for life-threatening conditions, including bee-sting or heart medication, & inhalers, or for a limited amount of medication approved for use in a first aid kit.”

All medications taken at Camp should be listed on the Annual Health and Medical Record and need to be available during the health screening. Lockers for Unit use will be provided in the Camp Health Lodge. The Unit leader will be given the combination to the locker. Adult Unit leadership will be responsible for seeing that the Scouts needing medication in their Unit take the necessary medications at appropriate times in correct doses. Medications must be recorded in the provided log. This log must be left in the locker at the end of the week.

Access to the lockers will be open 24/7 while Camp is in session to allow access to your Unit locker. Non-prescription medications must be kept under the supervision of the Adult Leaders.

## Dietary Needs

See Dining Hall on Page [15](#).

## Special Needs

Unit leaders should understand the limitations and strengths of the Scouts in their charge. In some cases, leaders may need additional guidance regarding the extent of appropriate physical activity from the Scout's health-care provider, physical therapist, or teacher, in addition to the parents or guardians. Where a Scout is known to have special needs, it is essential that their Annual Health & Medical Record accurately reflect that condition. Likewise, the camp experience should not be an opportunity for a “medication vacation” – the Scout should maintain the normal prescribed medication while at camp to ensure a positive experience for the Scout and others at camp.

Many Scouts with disabilities can accomplish the basic skills of Scouting, but they may require extra time to learn them. Working with these Scouts can require patience and understanding on the part of unit leaders and other Scouts. A clear and open understanding should exist between the unit leadership and the parents or guardians of a Scout with a disability.

Scouts with special needs will be given opportunities to camp, hike, and take part in other unit activities based on their capabilities and safety. Using accessible facilities is an invitation for Scouts with special needs to feel welcome and able to fully participate. Camp operations may be able to work with the unit leadership to design a program for Scouts with special needs if given adequate advance notice. Please provide the camp staff of your destination camp with as much advance notice as possible, so we can work together to provide the best possible experience for your Scouts. You can connect with them through our Camp Staff Coordinator ([GGAC.Programs@gmail.com](mailto:GGAC.Programs@gmail.com)).

## Insurance

The BSA's Annual Health and Medical Record form requests personal health & accident insurance carrier and policy number. This information is needed in the event someone has a life-threatening condition and is taken to the hospital and the emergency contact person cannot be reached. Doing so meets requirements set by the BSA's insurance provider.

All Units attending camp must be covered by accident insurance.

## Drugs, Alcohol, & Tobacco

Prescription drugs must be checked in to the Camp Health Officer. Non-prescription medications (aspirin, cough syrup, etc.) may be used only with the approval of the Camp Health Officers. Local authorities will deal with those using illegal substances at camp. Alcoholic beverages are not allowed in camp! Anyone in possession of, or under the influence of, alcohol will be escorted from camp immediately.

Smoking/Vaping Policy—All buildings and facilities are designated as nonsmoking facilities. Smoking or vaping is not permitted anywhere in camp. All activities will be conducted in a smoke-free environment.

*If any Adult must use tobacco, they may do so ONLY in the designated smoking area.*

## Safety

### Emergency Procedures

In the event of an emergency, notify a member of Camp Staff immediately. Do **NOT** attempt to deal with the emergency yourself, regardless of the situation. If the situation seems at all dangerous, as in the event of wildfire, the priority is to evacuate all Scouts and Leaders from the immediate area. For all emergency assembly purposes, a siren will sound, fire bell rung, and ALL Campers should report immediately to the Camp Assembly Area to await further instructions. When your Troop arrives at the Assembly Area, take roll using your Unit Roster printed from Black Pug. A key member of the Staff will ask for a Troop Roll Call. If anyone is missing, Camp Staff or appropriate Emergency Personnel will initiate a search. More information on emergency procedures will be available on your first day in Camp. In all cases, vehicle owners are required to keep their keys with them at all times while in camp.

Emergency drills are held during each session of Camp. When the alarm sounds, all Scouts and Adult Leaders are to report immediately to the designated assembly area.

### Fire Safety

National Camp Standards require that each Unit post a completed Unit Fireguard Chart in their Campsite. These forms will be posted on your Campsite's bulletin board prior to your arrival.

Each Campsite has buckets, a shovel, and a rake. Do not remove these tools from your Campsite. Proper means of extinguishing fires should be on hand at all times. In case of extreme fire danger, the California Department of Forestry or the US Forest Service may temporarily suspend our Campfire permit.

Liquid or propane fueled stoves or lanterns are to be operated only under direct adult supervision. Any large quantity of fuel must be stored with the Camp Ranger.

Extreme caution must be taken whenever an open flame is involved. Camp can be a very hot and dry tinderbox during the summer. Be sure that all lanterns used are of approved status.

Fireworks of any kind are illegal and strictly prohibited in Camp. Possession of fireworks will be grounds for immediate dismissal from Camp property and could result in criminal prosecution.

## Campfires

**It is possible that all campfires including charcoal fires will be prohibited. The final decision rests with CalFire, the US Forest Service, and local Fire Departments. We strongly encourage units to purchase and bring a portable propane firepit for their campsite.**

## Fuels

Only propane- and butane-based stoves, lanterns, and firepits may be used in camp. All extra fuel not used for meal preparation must be checked in with the camp leadership upon arrival for storage in the secured camp fuel locker. Each unit must provide its own fire extinguisher.

## Program Safety

### Aquatics

All Scouts and Adult Leaders are required to take the BSA Swimmers Test before participating in any aquatic activity, no exceptions. Waterfront is off-limits when no Staff is present. No swimming is allowed anywhere other than the official Waterfront.

### Target and Range Sports

Permission from a parent or guardian is required for Scouts to shoot at any of our Camp ranges. Four (4) copies of the Firearms Use Permission Slip are required. Troops will submit 3 sets sorted alphabetically by last name. The 4<sup>th</sup> copy should be carried by the Scout. The blank form can be found in the Appendix ([p 85](#)).

ALL personal firearms, ammunition, and archery equipment are prohibited in Camp.

Eye and ear protection will be required for all participants and spectators. **Personal protective gear will only be allowed with Rangemaster discretion.** Please present your eye or ear protection for the Rangemaster to inspect or be prepared to use what is provided. All safety equipment is inspected for safety and replaced as necessary.

Protective equipment for Archery is **required to be worn by all participants, Scouts or adults.**

Archers will wear finger tabs or gloves and arm guards while actively practicing archery, no exceptions. Failure to adhere to this policy will result in dismissal from range activities.

**Red Flags** are used to designate a Shooting Range

- If the flag is **DOWN**, the range is closed - - **DO NOT ENTER!**
- If the flag is UP, staff is present, and the range is Open
- Yellow rope or caution tape designates a restricted area - - **DO NOT CROSS!**

### Personal Safety

- Closed toe shoes are required throughout all Camps. The ONLY exception is inside the pool or Waterfront areas.
- Travel only on designated trails.
- Report safety issues to the Camp Office immediately.
- All Camps operate on the buddy system. Scouts need to have a buddy in program areas, on hikes, and in any other activity they are participating.
- Initiations and/or hazing are strictly forbidden by BSA National Council Policy.
- Non-prescription drugs and alcohol have no place in Camp and are prohibited at all times.
- No flames of any kind are allowed in tents or outside a designated fire ring at any time.

- Fireworks are prohibited by County and State law at all of our Camps.
- Pets of any kind are not permitted at any Camp.

## ***Personal Projectile Throwers***

Please leave all personal bows, firearms, and ammunition at home! For the safety of Camp participants and to be in line with Camp Standards, our Shooting Sports Director must secure ALL designated Firearms on property.

If personal bows, firearms, or ammunition find their way to camp, they must be checked in with the Target and Range Sports Director who will safely store them on the Range until checkout.

## ***Knives***

Knives may be necessary in the successful completion of an activity. For these activities, Totin' Chip training is available. All Scouts who carry knives or use other wood-cutting tools must carry their completed Totin' Chip card with them. NONE of the programs offered at camp require the use of a knife with a blade longer than four inches.

**Under NO CIRCUMSTANCES are SHEATH KNIVES NEEDED or ALLOWED** for participation in the camp programs. Knives of that type will be confiscated for the duration of the week.

## ***Plants and Animals***

While most of the animals we have at Camp are harmless, there are some to be very cautious around. Rattlesnakes and cougars occasionally make their way into Camp. Yellow jackets, scorpions, ticks, and spiders can be found lurking just about anywhere; all of them bite or sting and are, in general, very annoying. Instructions on how to deal with each of these will be given at Camp.

Camp Wolfeboro has a real possibility of bears. Each Campsite is supplied with a heavy-duty bear locker. Full "smellable" precautions should be taken at all times as bears do make their way into camp from time to time. Each evening, all trash should be removed from Campsites and deposited in the appropriate location behind the Dining Hall. No food in any tents, as even mini bears (chipmunks and ground squirrels) can do considerable damage to tents and other equipment when searching out food.

**Camp Royaneh and Wente Scout Reservation** have the perfect climate for growing **Poison Oak**, and we have some nasty patches around. Make sure your Scouts and Adult Leaders know what it looks like (after all, it's an advancement requirement). If you need help just ask a Staff member to point some out.

## ***Valuables***

None of the Golden Gate Area Council Camps are responsible for the security of campers' valuables. Leave unnecessary valuables at home; this includes items of sentimental value, such as a compass that has been handed down from father to son. Scouts should not take certain items (jewelry, money, etc.) to the aquatics or high adventure program areas. Some troops bring a "lock box" to store valuables for scouts at camp, but they need to be secured.

## ***Lost & Found***

Prior to coming to Camp, Scouts are strongly encouraged to clearly mark all personal items with their name and Troop number for easy identification. Should a Scout inadvertently bring a valuable item, it can be locked inside the Camp Office. Each Camp has a Lost and Found located in the Administrative or Program Office. Describe your lost valuables to the Camp Administration to retrieve them. The Golden Gate Area Council, BSA is not responsible for lost or stolen items at Camp.

Camp Royaneh's Lost & Found, the "Honor Box" is the large metal box to the right of the Trading Post. Place clothing or other items in this box. Any items of value — knives, watches, etc. should be turned in to the Camp Office for safekeeping.

Camp Wolfeboro's Lost & Found is kept up in the Program Office. Please talk with a staff member to retrieve an item.

Wente Scout Reservation's Lost & Found is kept at the Trading Post. Items left in program areas will be turned in if not claimed by end of day.

## Damaged Equipment

Each unit is responsible for taking care of camp equipment that has been issued for their use. If this equipment is damaged, the individual or unit is responsible for cost of repairs or replacement at the discretion of the Camp Director.

## General Merit Badge Information

A Merit Badge is recognition for what a Scout has learned and done. The Merit Badge program was designed to help Scouts become familiar with their world and stimulate interest in new subject areas. Furthermore, the program was designed to get Scouts out to meet new people in their community and gain a working knowledge of a given topic.

To earn a Merit Badge at Camp, a Scout must complete the requirements of that badge. A Scout must demonstrate the required knowledge to earn the badge, but we will give them every opportunity to satisfy the requirements they need. Simply showing up to each session does not earn the merit badge, and active participation is required. Completing a Merit Badge certifies the Scout's knowledge.

If the Scout does not complete the requirements, the Scout will not receive the Merit Badge (see Partial Policy). The responsibility for completing these requirements lies solely with the Scout.

## Blue Cards

The Camp staff will utilize Black Pug for all merit badge tracking and your online access will allow you to print or re-print your own blue cards at home. Each camp will issue the blue card for each newly started merit badge. The unit leader can pick up signed cards on Friday for review, and corrections will be made Saturday morning during checkout.

**Wente Scout Reservation Note:** Corrections are done on Friday evening.

## Partials

There are many badges that have requirements that cannot be completed at Camp. Some of these are due to time requirements, and others simply cannot be done in a summer Camp setting. It is the policy of the National Council of the Boy Scouts of America that there is no time limit (other than the Scout's 18<sup>th</sup> birthday) on a Scout completing a Merit Badge after receiving a partial. All Golden Gate Area Council Camps will honor partials regardless of date or location that requirements were completed. Counselors will ask Scouts to review requirements already signed off to ensure that they are able to properly complete the Merit Badge. It is necessary for Scouts to bring the Merit Badge blue card partial to Camp.

## Prerequisites

In some cases, there are requirements cannot be completed at Camp, such as the time-bound requirements for certain merit badges. Many of these requirements can be completed before a Scout arrives at Camp. A Scout should contact a Merit Badge counselor for that badge, go over the work they

have done, and bring a partial to Camp with them. To sign-off these requirements, Camp counselors will need a partial from a Merit Badge counselor or a printed record from the Unit's Advancement records.

### Merit Badge Books

Scouts taking a merit badge are to provide their own copy of the merit badge pamphlet. The camps will no longer provide merit badge books/pamphlets for Scouts.

## Camp Royaneh Program

**Your program should be based on the needs and desires of the individuals in your unit.** To ensure your unit's needs are met, we suggest that your unit have each youth decide, in advance, all the merit badges and other advancement and activities they want to do. Merit badge sign-ups will be accessed through <https://scoutingevent.com/023-CR2023>. The list of merit badges offered at Camp Royaneh with prerequisites and the tentative schedule located on Pages [36-38](#) and [39](#), respectively.

### Baden-Powell

#### Merit Badges

Cooking

Scouting Heritage

Cooking and Scouting Heritage merit badges are offered for all ages at camp, while Baden-Powell is designed to offer First-year Campers an opportunity to work towards First Class rank while still experiencing all aspects of Camp Royaneh's programs. Staff will guide them through requirements for rank advancement. The Scout will be taught the skill and then tested. If the scout is successful, they will be signed off on a requirement card that they submit to the troop leadership. We highly recommend that troop leadership then test the Scout before officially signing off on a requirement in the handbook.

The Baden-Powell staff can verify that a Scout has learned a skill, but the troop will have the ultimate authority to determine if the Scout has "passed the test". Similarly, our staff cannot sign off requirements that only can be completed in a troop setting (attending troop or patrol activities, etc.). This program area emphasizes the use of the EDGE method.

Scouts can work toward a rank in one of two ways:

- Attend the session that pertains to the rank you are working on if you have started or have most of the requirements to fulfill, or
- Attend the skill session in the afternoon if you only have a few requirements to complete a rank. The skills session will address specific topics on specific days, but Scouts may also attend and work on whatever requirements they choose

## Special Programs

**Baden-Powell Campfire**—There is a special Campfire on Monday evening for First-Year Campers only. This Campfire takes place at 7:15 pm and will NOT interfere with the regularly schedule troop Campfires. This is open to all First-year Campers, regardless of whether or not they have participated in the Baden-Powell classes.

**The Robert Baden-Powell Pewter**—Throughout the week, a variety of activities exist in the Baden-Powell area, designed to help new Scouts acclimate into Camp. Scouts complete various activities at Baden Powell and also work on advancing their own Scout skills and knowledge; they will be rewarded with a Campaign Hat Pewter. The activities are:

- *Monday 4 pm* – Flag Ceremony Training – An opportunity for the scouts to learn how to do a proper flag ceremony. Once they raise and lower the flag to instructors' satisfaction, they will earn this requirement.
- *Tuesday* – Baden-Powell Dinner (either participate or be a volunteer organizer) Volunteers must talk to instructors by 3:45 pm the day of the Dinner.
- *Wednesday* – Know your Knots? Master your skills before your end of week quiz!

**Baden-Powell Dinner**—Scoutmasters are invited to a special dinner Tuesday night, prepared by Scouts in their Troop who are working on their Tenderfoot rank.

**Open Skills**—Wednesday, Thursday, Friday 7:00-8:15 pm

## Climbing & COPE

The Climbing Wall is a program designed around our beautiful surfaces at camp. Scouts will be able to learn the basics of climbing while also learning belaying and rappelling techniques on a natural rock wall.

## Merit Badges

### Climbing

## Special Programs

**Open Climb**—Every afternoon 4:00-5:00 pm. This is a time for any Scout or adult to take some time and climb our natural rock wall. Registration in merit badge session not required. No age limit.

**Climb on Safely**—Tuesday 7:00-8:15 pm. This is a program for adults to be trained in Climb On Safely. This program teaches adult leaders to be qualified supervisors on their troop's next climbing outing. It is required by the BSA to have one (1) qualified, trained supervisor for every ten scouts attending an outing.

**COPE - Challenging Outdoor Personal Experience** is a program designed to promote teamwork, self-confidence, and the development of problem-solving skills. Scouts (and a special Scoutmaster team) can work together to overcome a variety of personal and team challenges and obstacles. Designed for the older Scouts in the troop, participants can build self-esteem in one of the following COPE programs:

**Adult COPE**—Designed for the Scoutmasters and other adult leaders accompanying the Scouts all week, Adult COPE focuses on pushing boundaries for those adults who feel they are up for a challenge. The course builds camaraderie between fellow adults and is an excellent way to do something fun and exciting while the Scouts are off earning their badges. The experience you gain here can be brought back to your Troops, including ice breakers and leadership games.

**High COPE**—This program is reserved for Scouts who are 15 and older or who have taken a COPE class before. This week-long course focuses more on challenging Scouts to push their personal boundaries and facing their fears, all the while cooperating with their team to overcome obstacles. Session limit: 12 Scouts.

**Lunch COPE**—Bring your troop out to have some fun doing team building exercises and building troop camaraderie. Troops will be selected via a raffle at the Sunday Adult Leader meeting. The cost is \$5 per person.

**Project COPE**—For Scouts over age 13, this week-long course begins with challenging initiative games, progresses through low-course activities, and culminates in a high-course event. This course is designed to help build teamwork and leadership skills, as well as to challenge Scouts to overcome personal fears. Session limit: 8 Scouts.

While there are 7 sessions of Merit Badges being offered, it is highly recommended that Scouts take one period to themselves. This can be used for them to explore camp, complete rank advancement, hike through nature, participate in the open program offered in 6<sup>th</sup> period, and take care of themselves like nap, shower, and spend time with their friends. While summer camp is a great tool for a Scout to earn Merit Badges, it is also a moment for them to make lasting memories with their peers through unstructured program.

## 2023 Program Schedule

### Special Programs at Camp Royaneh

#### Chief's Room

This room has been set aside for Adult Leaders and Staff members only. Leaders may gather here in the evening for informal meetings and relaxation. The Chief's Room is also the setting for our daily Leader roundtables. There is also open wireless Internet access in the Admin. Building; we recommend that leaders take advantage of it in the Chief's Room. There are also electrical outlets in the Chief's Room that may be used to charge electrical devices.

The Order of the Arrow dedicated this room to the late, beloved naturalist Uncle Ed Dike, who made famous the expression "Have Fun in the Sun at Camp Royaneh!" It is also an informal museum of Royaneh history, and leaders are encouraged to bring Scouts in for a look at the many photos and displays.

#### Beach-Themed Barbeque

Take a break from the meals in the dining hall and join us in the Amphitheatre for a beach-themed dinner barbecue on Thursday! Feel free to wear a surf shirt and board shorts, and make sure you bring the good vibes. Sit back, relax, and enjoy the great time. Evening colors follow the barbecue and are pleasantly informal.

#### Haunted History Hike

Join us after Taps for a spooky hike around Camp where you will hear the lore specific to our culture. Not for the faint of heart.

#### Prestigious Pewter Awards Program

One of the unique aspects of Camp Royaneh is that we encourage Adult Leader participation in program! In many of our program areas we have awards for you the Adult Leaders! Earn the Scoutcraft Award, Order of the Rattlesnake, High Loop Nature Trail, Mountain Man Award, Daniel Boone Award, and many more!

#### Special Awards

Spirit Troop—To encourage excellence in Troop participation, and to promote Scout Spirit, we have developed the Spirit Troop of the Day program. The Spirit Troop of the Day is awarded to the Troop that receives the highest rating in several categories. A Troop can only receive the award once during their week at Camp. The Spirit Troop of the Day will take possession of the coveted Camp Royaneh Spirit Stick and will lead the Camp in flag ceremonies and grace at meals on the day it is chosen.

Criterion for Judgement:

- Appearance: Are the Troop members and Adult Leaders consistently dressed in their Troop's Uniform? Do they look clean and sharp?
- Spirit: Does the Troop do Troop yells in the Dining Hall? Do the Scouts show Scout Spirit?
- Campsite: Is the unit Campsite neat and tidy? Are the cabins and tents kept in order?
- Sportsmanship: Is the Troop participating in Camp-wide events and activities? Do the Troop members behave in a Scout-like manner?

#### Trail of the Thunderbird

A program designed to ensure that every Scout gets the most they can out of the Royaneh program. Scouts participate in this program by doing activities in a variety of program areas. The participation

requirements become more difficult as the Scouts get older. A Scout who completes the requirements for their year will be awarded a special neckerchief. Scouts can only earn this prestigious award once a year. First-year Scouts who have completed all First-year requirements will be recognized at a special First-year Campfire Thursday night. All other Scouts will be recognized at the closing Campfire Friday night. Scouts who earn the award should also stop by the Trading Post to pick up a certificate. Scoutmasters will be asked to stop by the Trading Post and reimburse the Camp for the award's cost, just as they would for a Merit Badge or other emblem. The cost is \$15.

## Camp Royaneh History

Camp Royaneh was founded in 1925 by Raymond O. Hansen in order to provide a safe yet exciting wilderness experience for Scouts from San Francisco. Since then, Camp Royaneh has welcomed over 100,000 Scouts and Scouters from all over the United States, as well as Japan, England, China, and other nations.

The Camp's success is largely due to a wonderful tradition of excellence that has spanned over 95 years, and which has singled out Camp Royaneh as one of the oldest and most widely attended Scout Camps West of the Mississippi.

Royaneh's greatest asset is its setting. With a wide variety of plant and animal life, ranging from deep redwood forests to lush meadows spotted with oaks, its natural beauty is certainly impressive. Add premier facilities and an experienced, dedicated Staff educating Scouts to experience a wide variety of programs, and you've got a great summer week away for your Scout Unit.

Camp Royaneh is located along Austin Creek, on what was once the Watson Ranch. Raymond O. Hansen who was the first Camp Director, bought the property and moved the "San Francisco Scout Training Camp" from its site near Cazadero to its present location in 1925, and he named it Camp Royaneh. In the early years, Camp Royaneh was for Scouts from the city of San Francisco only. Scouts would sign up individually for Camp and would take a ferry and a series of trains to the Watson and then Royaneh train stations where every Scout would hike up the hill to Camp.

Camp Royaneh thrived through the years and has seen its share of memorable characters including the likes of Ralph Benson, Powder River Joe, Uncle Ed Dike, and Bob Anino. Each one of these men, and many others, has left their mark on Camp Royaneh. From its early founders to its current dedicated Staff, Camp Royaneh has welcomed countless Scouts and Scouters.

# Camp Wolfeforo Program

Camp Wolfeforo's Staff is proud of its location in the heart of the Sierra Nevada Mountain range on the shores of the Stanislaus River. This location allows Scouts to fully experience the "Outing" in Scouting. Along with its ideal setting, Camp Wolfeforo's program offers a wide range of activities with a flexible schedule for all individuals. Advancement opportunities abound but be sure to join in other adventures that camp has to offer. The experience at camp is not complete without doing several special activities.

**Your program should be based on the needs and desires of the individuals in your unit.** To ensure your unit's needs are met, we suggest that your unit have each youth decide, in advance, all the merit badges and other advancement and activities they want to do. Merit badge sign-ups will be accessed through <https://scoutingevent.com/023-CW2023>. The list of merit badges offered with prerequisites and the tentative schedule located on Pages 49-50 and 51, respectively.

It is beneficial for your unit to plan ahead for the High Adventure and other unit activities that the Scouts want to do. These activities are filled on a first come, first served sign-up basis due to limited space for several of them. The most valuable summer camp experience is a blend of activities for the individual Scout and the scout's buddy, patrol, and unit. The following pages contain a list of program features offered in the different areas of Camp Wolfeforo.

## Aquatics

The Wolfeforo Waterfront is positioned along an improved section of the North Fork of the Stanislaus River. Non-swimmers and beginning swimmers can take advantage of our wading areas and Beginner Swim instruction. You must pass the basic BSA swim test at camp as a prerequisite for all aquatics activities—whether they are merit badges or recreational activities.

## Merit Badge Programs

**Canoeing**

**Lifesaving**

**Rowing**

**Swimming**

## Special Programs

**Mile Swim BSA**—Scouts and Scouters need to be in good physical shape to complete the rigorous requirements of this award. Before swimming the mile, all participants must attend 4 training sessions. Each swimmer must bring a rower and an accompanying spotter. The mile swim will generally take place on Friday morning. Please see the Aquatic Director to arrange for conditioning times.

We have a unique opportunity to learn about all that nature has to offer here on the beautiful shores of the Stanislaus River.

Drop by the Nature Lodge to view their displays or ask any questions you have about the natural world. All youth are encouraged to work on or take part in camp conservation projects. There might even be some on-going projects that will be tackled by more than one unit throughout the summer. Night hikes are a way to experience the outdoors—can you navigate by the stars or stalk owls?

## Special Programs

**Sourdoughs Hike**—The 49ers called prospectors who traveled from camp to camp “Sourdoughs”. At least twice a week, the staff leads Scouts on this 2.5-mile hike, designed to teach basic backpacking and camping skills to your first-year campers. Enroll online prior to camp with Merit Badge registration.

The Scouts will hike out of camp up the Highland Creek Trail to Greenwater. Here they will prepare a meal on backpack stoves, try out some Scoutcraft skills, take a swim, and have a rousing campfire topped off by a Dutch oven dessert prepared by the staff guides. Any unit that sends Scouts must also send at least one adult. We recommend you bring the following items:

Backpack

Sleeping Bag

Ground Cloth

The Ten Essentials Water (2-L min)

Mess Kit

Appropriate footwear and clothing

## Target and Range Sports

Every Scout wants the chance to do some shooting and show off their skill with a .22 rifle, shotgun, or the bow and arrow. Target & Range Sports will discipline the mind and the body, so just relax and have a great time. Tickets for shotgun and .22 rifle targets must be purchased at the trading post.

Camp Wolfeboro has excellent instructors who are more than willing to go the extra mile to help campers be successful. As with all program areas, the main aspect of the shooting ranges is **safety**. The rules may seem strict at times, but they ensure a fun, safe area that everyone can enjoy.

**All Youth who wish to enter any of the Shooting Ranges MUST have a signed Firearms Use Permission Slip (See Page 85).**

**Tomahawks & Knife Throwing**—Visit the Archery range to try tomahawk and knife throwing!

## Trailhead

Camp Wolfeboro has knowledgeable staff at the Trailhead Center who will augment your troop leadership in addressing the advancement needs of younger Scouts.

Your Scouts should plan to spend a minimum of two hours per day at **Trailhead** depending upon the advancement needs.

When each Scout enters Trailhead, the staff will guide them through requirements for rank advancement. The Scout will be taught the skill, then tested. We highly recommend that troop leadership then test the Scout before officially signing off on a requirement in the Scout's handbook.

Trailhead can verify that a Scout has learned a skill, but the troop will have the ultimate authority to determine if the Scout has "passed the test". Similarly, our staff cannot sign off requirements that only can be completed in a troop setting (attending troop or patrol activities, etc.).

## **Camp Wolfeboro Traditions**

*Camp Wolfeboro has developed many traditions in its 90-plus year history. The Dining Hall features each Troop comparing its Troop Yell to the others...at full volume...and Troops display commemorations of their past visits to camp in the rafters. Camp Wolfeboro has its own Honor Society, the Wolfeboro Pioneers, which each unit will learn more about at Wolfeboro. While all Scout Camps share many of the same songs, each Camp has its own camp song plus songs that are part of its traditions. For instance, before the Friday night campfire, the Camp Staff and the Wolfeboro Pioneers lead the camp in Patsy Atsy Ori Aye (see [boyscouttrail.com](http://boyscouttrail.com) for one version of the lyrics) before being led to the campfire. Camp Wolfeboro's Unit Award is the Gold Cross and Super Gold Cross, which harkens back to the days of the gold miners in the Sierras.*

## **Wolfeboro Pioneers**

*The Wolfeboro Pioneers Honor Society was founded shortly after the founding of Camp Wolfeboro itself. The purpose of the Wolfeboro Pioneers is to perpetuate the high standards of camping and Scouting at Camp Wolfeboro. The Pioneers are dedicated to the promotion of camping and scouting at Camp Wolfeboro. One of the key aspects of time at Camp Wolfeboro is promoting good fellowship and sportsmanship and making the camping experience enjoyable for present and future campers. The Wolfeboro Pioneers celebrated their 90<sup>th</sup> year of service in 2019.*

*To be eligible to join the Wolfeboro Pioneers, a Scout must have camped at Camp Wolfeboro for 12 days with at least six (6) in a previous camping season, be a First-Class Scout, held a Leadership position within their home unit for six months, participated in the Wolfeboro Work Party (Tuesday evening), and be voted in by their peers within the unit. Adults are also eligible for selection to the Wolfeboro Pioneers. For an adult to be selected, they must have camped at Camp Wolfeboro for 12 days with at least six (6) days in a previous camping season, participated in a Wolfeboro Work Party (Tuesday evening), then nominated by a Pioneer, and voted in by the Pioneer members in camp.*

## Wente Scout Reservation Program

**Your program should be based on the needs and desires of the individuals in your unit.** To ensure your unit's needs are met, we suggest that your unit have each youth decide, in advance, all the merit badges and other advancement and activities they want to do. Merit badge sign-ups will be accessed through <https://scoutingevent.com/023-WSR2023>. The list of merit badges offered at Wente Scout Reservation with prerequisites and the tentative schedule are located on Pages [69-71](#) and 72, respectively.

### Climbing

#### Climbing (2-hr session)

### Special Programs

**Troop/Patrol Climb**—The Rock is available for Troop/Patrol Climbs during evening Open Climb, see the Climbing Director to sign-up. Be aware slots fill quickly during the week. Group size is limited to 12.

**Climb On Safely**—Adults can learn BSA procedures for organizing and carrying out a safe Unit climbing activity...then get hands on experience while volunteering at The Rock!

### Eagle Trail

When a Scout enters Eagle Trail, staff will guide them through requirements for rank advancement. The Scout will be taught the skill, then tested. If the scout is successful, he or she will be signed off on the Counselor Record which will posted to the Advancement Board for troop leadership to review. We highly recommend that troop leadership then test your Scout before officially signing off on a requirement in any handbook.

Eagle Trail can verify that a Scout has learned a skill, but the troop will have the ultimate authority to determine if the Scout has “passed the test”. Similarly, our staff cannot sign off requirements that only can be completed in a troop setting (attending troop or patrol activities, etc.) all while utilizing the EDGE method.

## Wente Scout Reservation Traditions

The spirit of Wente whispered its way into the Finney Valley long before the scouts arrived. It came with Finbar and the O'Riley clan, as they homesteaded in the southern hills foraging the plentiful forest, planting fruit trees, and drinking from the many springs to sustain life. Its voice grew as the Finney Valley Lumber Company logged the area leaving behind roads for future access to our beloved camp and beginning a long-standing relationship with the forest that continues today in the Wente Forest Health and Conservation. Scouting and the Wente land seemed destined to join forces to teach the youth then, now and into the future that we are all stewards of Nature...and what better place than this slice of heaven many of us consider our second home.

Wente prides itself on adapting to the needs of our campers and what program best suits their needs at that time. So, although we do have traditions, our favorite one is serving the Youth and giving back to our wonderful camp. Through the years Wente has steadily added new program areas, more campsites, adventures into the backcountry, more weeks of camp, and off-season opportunities for Units and scouting families to enjoy what many campers, Scouts & Staff alike, consider their second home.

## Campership Information & Application

### CAMPERSHIP APPLICATION INFORMATION

**Camperships will ONLY be awarded to Scouts registered with the Golden Gate Area Council.**

Each year the Golden Gate Area Council grants a limited number of camperships. They are awarded upon proper application and certification to worthy Scouts, who for financial reasons are unable to enjoy a summer camp experience. Camperships are available for Golden Gate Area Council Camps and Scouts only. Camperships are designed to assist Scouting units and families by ensuring that no Scout is deprived of the camp experience because the scout's family lacks necessary funds. Camperships are awarded on a "matching funds" basis; the Scout, parents or guardian, and Unit (troop, ship, crew or pack) contributes supplementary dollars. Please note that the amount of the campership to be awarded is subject to review each year.

Campership applications **MUST** be received at the Council Service Center prior to the **early discount day** of the year you will attend camp. Please provide all required information. **Incomplete applications will be discarded.**

To apply for a Campership, the following steps must be completed. All information will be held confidential.

1. The Scout's Family completes the Campership Application.
2. The Unit Leader meets with the Parents or Guardian and determines the Family Contribution amount.
3. On advice of the unit leader, in consultation with the Chartered Organization, the Unit Committee determines the extent to which the Unit/Chartered Organization can support the camp fee. Opportunities for money-earning projects to offset the difference should not be overlooked. **The Scout must have participated in unit, district and council fund raising opportunities within the past year.**
4. The Cubmaster/Scoutmaster/Advisor endorses the application and a letter explaining the unit position with any other information helpful in making a decision and mail/deliver both to the Golden Gate Area Council Outdoor Programs Office, 1714 Everett St, Alameda, CA 94501 or email to [Nathalie.Bernabe@scouting.org](mailto:Nathalie.Bernabe@scouting.org) with subject line 2023 Campership Application.
5. After a committee reviews the application, the Scout's family or the unit will be notified of the amount of financial assistance the council will provide. This notification will act as the official confirmation of the amount of the campership. **You must present this verification when making final camp fee payments.**
6. Camperships are good only in the Golden Gate Area Council camps.
7. **USE ONLY ONE FORM PER YOUTH.** More forms can be obtained at the Council Service Center, you can photocopy this one, and forms are also available on the council web site at [www.ggacbsa.org](http://www.ggacbsa.org)  
*Please note that camperships are non-transferrable.*
8. You must answer every question on the form and the youth, the parent/guardian, and Cubmaster/Scoutmaster/Advisor must sign the form.
9. Campership applications are **NOT** registration forms for camp; they are applications for financial aid: For Cub Day Camp, Cub Scout Family Camp, Camp Wolfboro. You must sign up for camp through your pack, troop, ship or crew.
10. You must include the camp and date the Scout is attending. If you do not know, ask you Unit Leader.
11. A thank you letter from the youth who have benefited from these funds is appropriate. Thank-you letters may be addressed to the Golden Gate Area Council Outdoor Programs Office, 1714 Everett St. Alameda, CA 94501.

**INCOMPLETE APPLICATIONS WILL BE DISCARDED. ALL BLANKS MUST BE COMPLETED AND PROPER SIGNATURES OBTAINED.**

**RULES FOR ACCEPTANCE AND PARTICIPATION IN THE CAMPING PROGRAM ARE THE SAME FOR EVERYONE WITHOUT REGARD TO RACE, COLOR, OR NATIONAL ORIGIN.**

## CAMPERSHIP APPLICATION FORM

Applications with missing information will **NOT** be considered! Please read instructions carefully before proceeding. Must be returned to the Council Service Center before final payment is made for the camp you are applying for. **(Please fill out digitally or print clearly in ALL CAPS)**

## Directions to Camp Wolfeboro

**Camp Wolfeboro is on:**

**Forest Service Road 7N02**

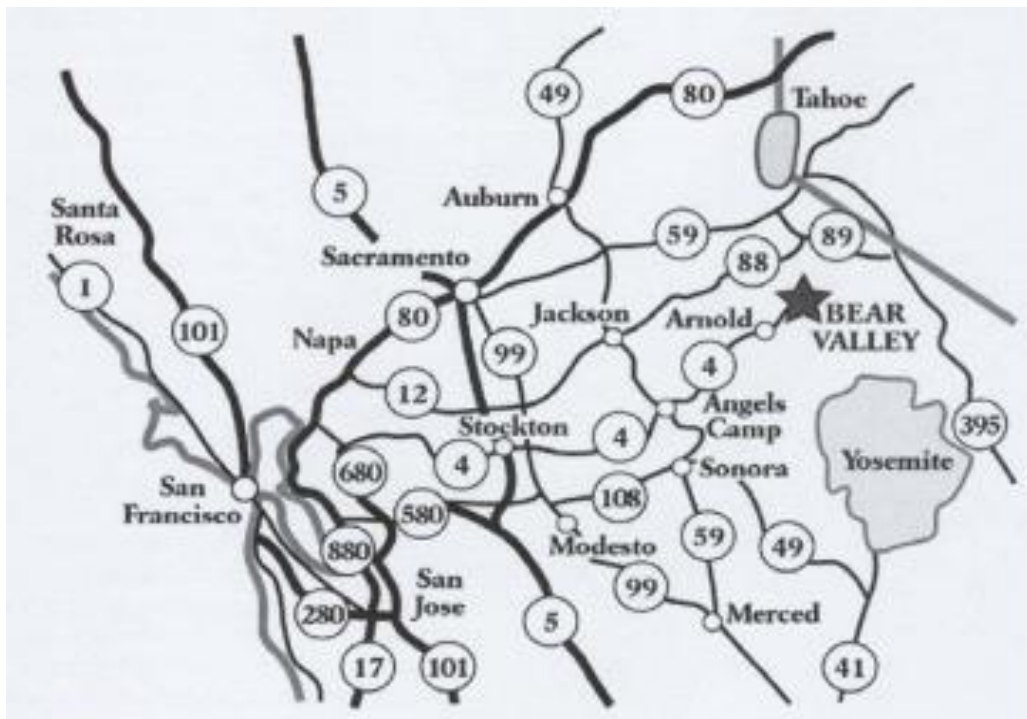

**off Highway 4**

**about 0.2 miles EAST of**

**Big Meadows Campground**

**and**

**2 miles WEST of Tamarack.**

**FROM THE EAST** on Highway 4, pass Bear Valley Village, and eventually, the town of Tamarack. As you near Skyline Drive on your right, you will see Forest Service Road 7N02 on your left about 0.25 miles from there.

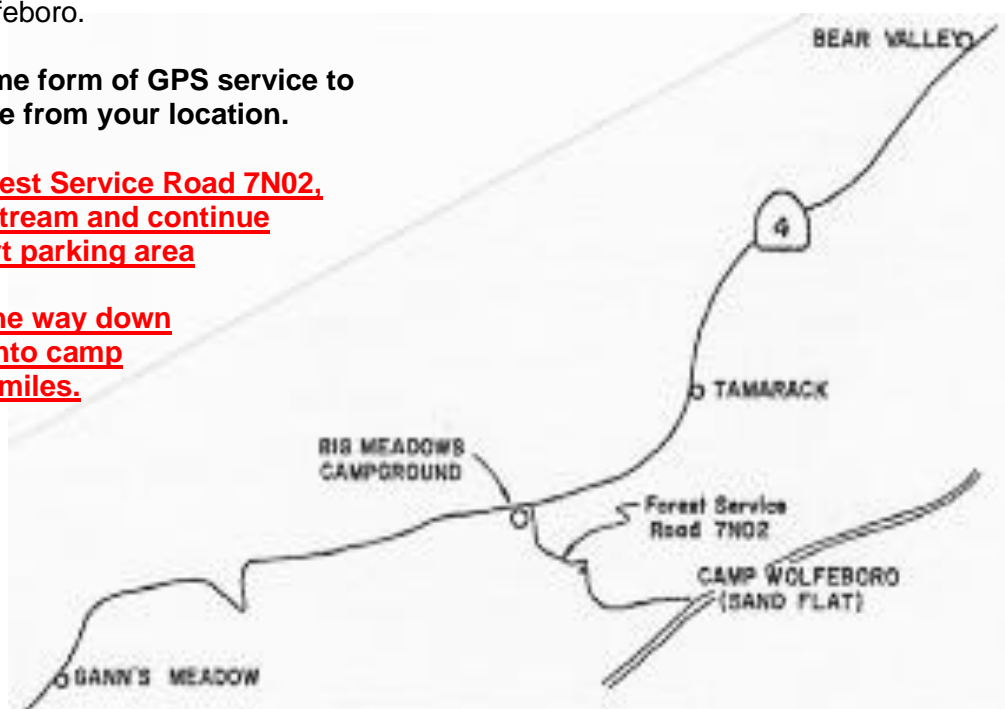

**FROM THE WEST** on Highway 4, as soon as you see Big Meadows Campground sign on your right, you want to start slowing down as the turn off for Forest Service Road 7N02 is 0.2 miles ahead on the right and is easy to pass.

**FROM THE BAY AREA**, there are many ways to get to camp on Highway 4. Most routes will eventually take you through the intersection of Highways 49 and 4, which is located at Angels Camp and is about 40 miles from Camp Wolfeboro.

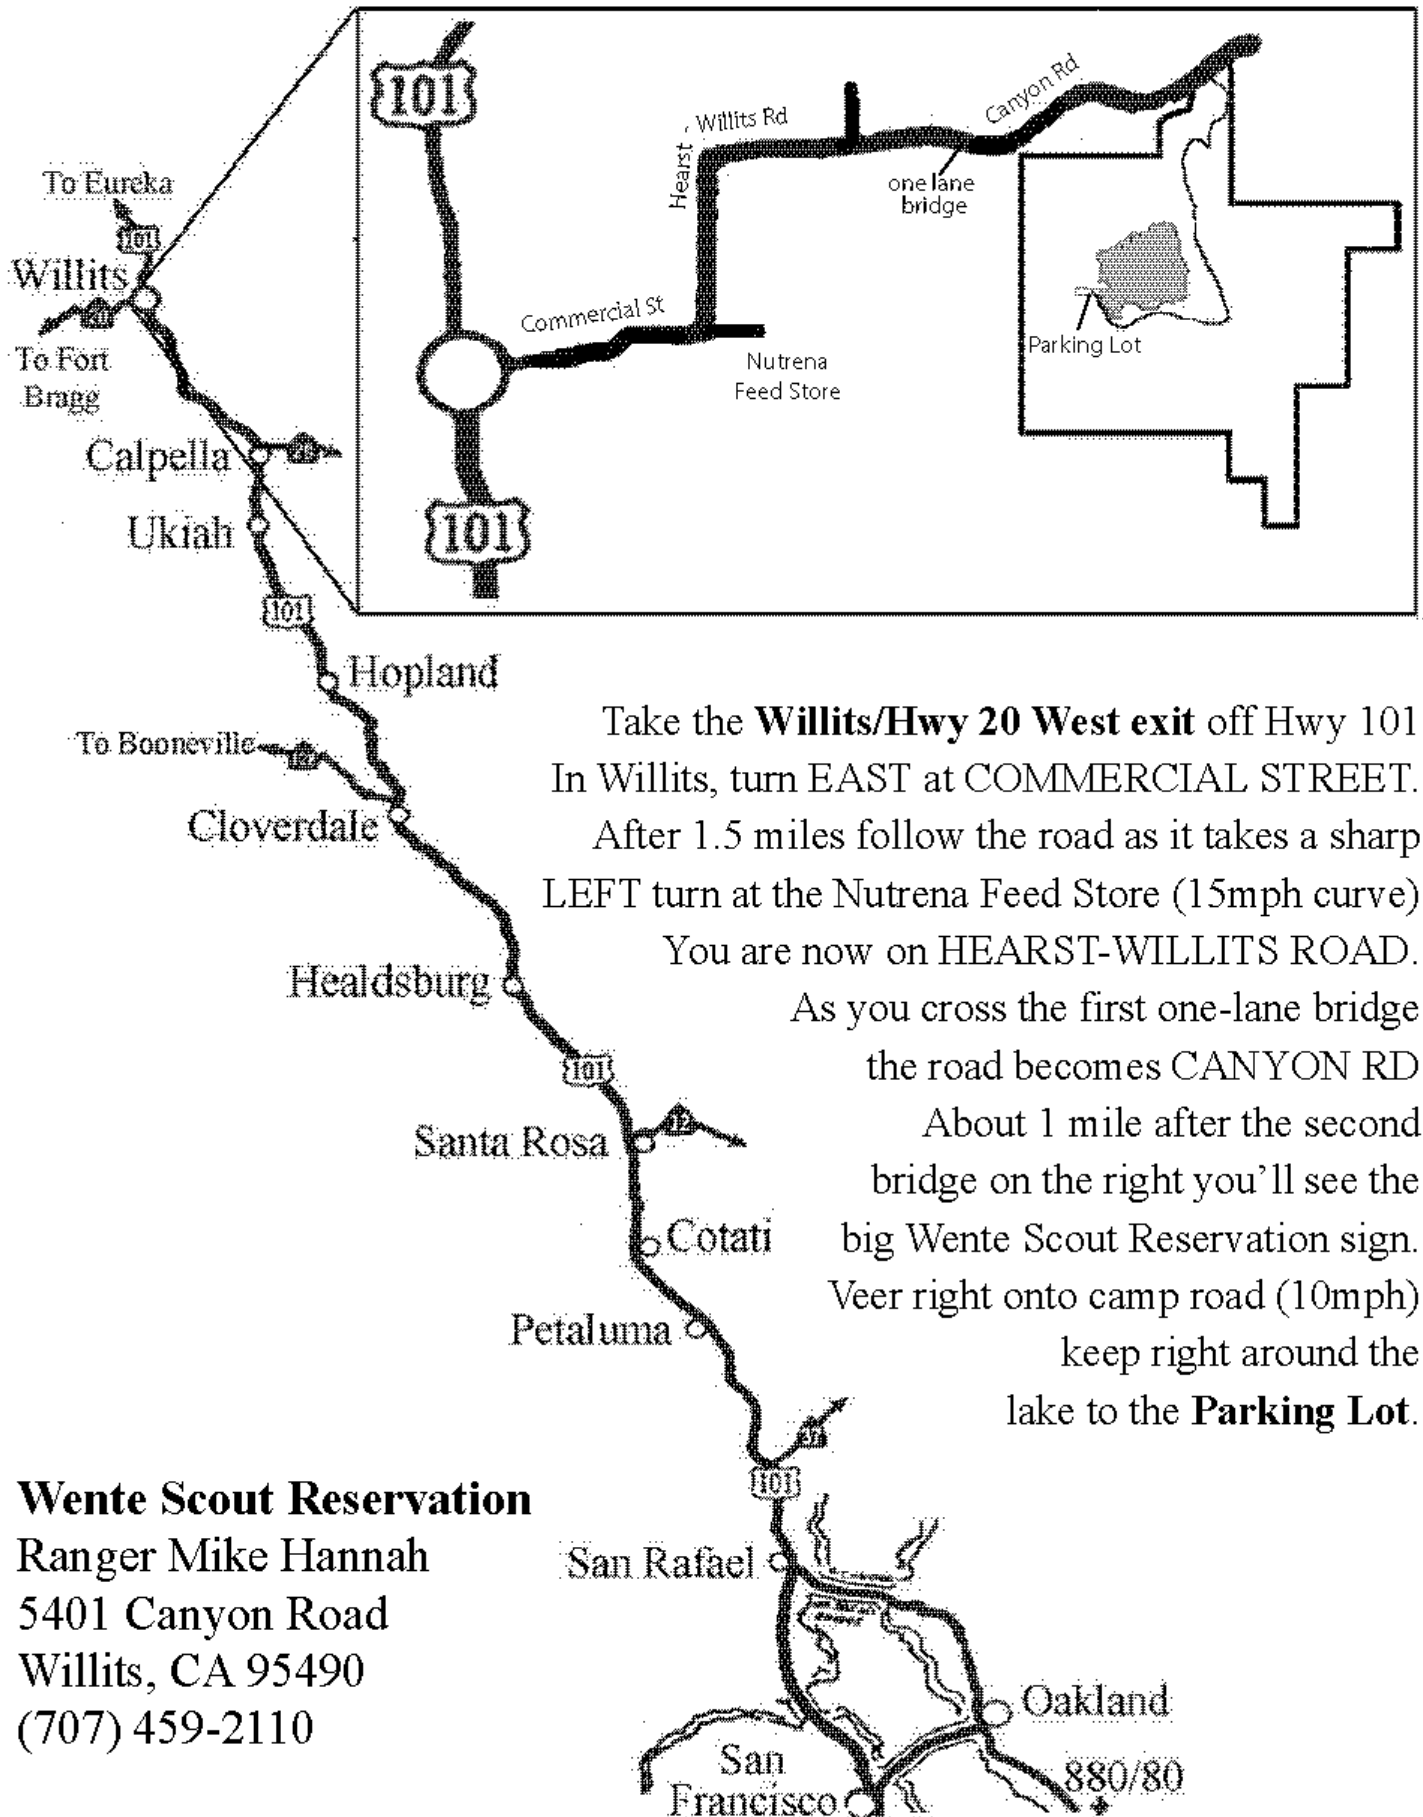

**You should consult some form of GPS service to determine the best route from your location.**

**Once you turn onto Forest Service Road 7N02, you will cross a small stream and continue about 100 yards to a dirt parking area**

**UNLESS you drive all the way down the VERY rough road into camp which is about 2 more miles.**
