Golden Gate Area Council Mission & Vision

The camps of the Golden Gate Area Council are some of the longest running scout camps in the Western United States. Camp Royaneh opened in 1925, Camp Wolfeboro in 1928, & Wente Scout Reservation in 1959. Each becoming a special place for Scouts of all ages.

The mission of our Camp staff is to facilitate an environment where scouts will be engaged in unique, evolving programs, while building character through the aims & methods of scouting in a safe, outdoor environment.

The goal of our Camp staff is to promote a profound reverence for the outdoors. We establish, maintain, & provide a traditional camping environment that can be enjoyed by all ages for many years to follow.

The Scout Oath & Scout Law are at the core of our Camps. As your Scouts participate in our camp programs, we help your unit utilize the "Patrol Method", so your scouts learn & develop leadership skills. Additionally, we expect your scouts to use the "buddy system" at ALL times.

The best aspect of program at Camp is that it is YOUR program. The staffers of Camp Royaneh, Camp Wolfeboro, & Wente Scout Reservation are here to assist you in providing that program so, BE PREPARED!

On My Honor I will do my best

To do my duty to God & my country & to obey the Scout Law;

To help other people at all times;

To keep myself physically strong, mentally awake, & morally straight.

A Scout is:

Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient,

Cheerful, Thrifty, Brave, Clean, & Reverent.

Youth Protection

The BSA's adult registration requirements mandate that **all adults** accompanying a Scouts BSA Troop to a resident camp or other Scouting activity **must be registered as an Adult Leader, including completion of a Criminal Background Check (CBC) & Youth Protection Training (YPT) prior to the start of the event.** <https://training.scouting.org/learning-plans/1179> In addition, the State of California passed AB506 that went into effect on January 1st, 2022. All registered BSA volunteers, employees, & other volunteers who are 18 years or older & who have direct contact with, or supervision of, children for more than 16 hours a month or 32 hours per year must complete a Live Scan background check & complete online mandated reporter training. Requiring registration, background checks, Youth Protection Training for all adults (18+, even if registered as a youth participant in Venturing or Sea Scouts) on Scouts BSA extended activities & complying with AB506 adds another dimension of protection for our Youth. To learn more please visit: <https://californiascouting.org/>.

- This requirement applies to any adult accompanying a Scouts BSA group on a single Scouting activity
- Adults **must** be registered as leaders, **including the completion of a Criminal Background Check (CBC) & Youth Protection Training (YPT) before the activity** (CBCs cannot be expedited)

Note: under normal circumstances it can take up to 3 weeks for a CBC to be completed – with many new adult registrations across the country at that time, it may take even longer - BE PREPARED by registering & completing your YPT & CBC early so as not to be told you cannot attend camp because it did not come back yet.

In accordance with the National Youth Protection Policy, we have instituted the following Council policies:

- Adults must maintain two-deep Leadership in Camp at all times.
- Notify the Camp Administration prior to arrival if you will have difficulties doing so.
- Adults must respect the privacy of Youth members.
- Adults & Youth will not share sleeping facilities at any time & Scouts must be within two years of age to share sleeping facilities.
- All Youth will respect the privacy of others regardless of age, gender, or relationship.
- If private issues between a Youth & an Adult must be dealt with, two-deep Leadership must be maintained during the conference, health check, or other event.
- See the Camp Administration if you or your Unit need assistance or advice in this area.

Council Refund Policy

The Golden Gate Area Council has instituted a refund policy to ensure our Scouts receive high quality programs & activities. A great deal of advanced planning & purchasing takes place for programs & events of the Golden Gate Area Council during the months & weeks prior to an event.

The Council will refund up to 100% of the costs for any event it cancels. In order to maintain the most cost effective & positive program impact activity, camping, & event refunds of 100% cannot be given. Refunds are not given for No-Shows, schedule conflicts, weather conditions, or behavior issues occurring before or during the event. Refunds are considered based upon the following criteria & timeline & are returned to the person or entity & in the manner in which they were received.

Time Until Start of Event	Percentage Refund
Up to 14 days prior	80% refund
Up to 7 days prior	60% refund
7 days or less	No refund*

*Participants who cancel from an event within 7 days will be considered for up to a 60% refund if the refund request is accompanied by a Doctor's note. Requests under these circumstances will not be considered if not received at the Council Service Center less than 14 days after the start of the event.

Camperships

The Golden Gate Area Council believes each Scout should be given every opportunity to attend Camp. At times it can be hard for a family to raise the money, & Camperships can help cover part of the cost of a week of Camp for Golden Gate Area Council members attending one of the Golden Gate Area Council Camps. Campership applications are due by March 27th for continuing Scouts & May 29th for newly bridged Arrow of Light Scouts. (<https://ggacbsa.org/summercamp/>)

Provisional Camper

No Troop.....No Problem! You don't have to miss out on all the fun just because your troop isn't going to summer camp or because other summer plans mean you won't be able to go to camp with your Troop. You may even want to do an additional week of camp just because you had such a great time.

New Friends.....New Experiences! Provisional Camping is just like camping with your home troop, except you'll have the opportunity to camp with new friends as you join Scouts from all over the council & beyond. You'll meet new people & have the opportunity to develop friendships that can last a lifetime. Provisional Scouts will partner with a selected Golden Gate Area Council Troop with an experienced leader. You'll have a full time Scoutmaster for the week that, just like your Scoutmaster back home, will make sure you have a safe & fun camp experience. Provisional scouts can participate in all of the camp's exciting programs including advancement, competitions, & patrol events. It's a great way to finish additional Merit Badges, or to try a new part of the program that you weren't able to try before.

NOTE:

1. First-year summer campers cannot attend as Provisional. Youth must have attended at least one Summer Camp at the camp prior to this year.
2. We will contact you after receipt of your reservation to coordinate registration into specific camp programs, get health forms, emergency contact info, permission slips, etc...
3. Adults attending with provisional Scouts must pay a leader fee.

SO, sign up now if you'd like to attend camp as part of the provisional camping program!

Provisional Camping is the creation of a temporary Troop or an opportunity to work with another unit. Provisional camping allows youth to attend camp without their home unit. Provisional camping is not new; it is used during many different Scouting events including National Jamborees & High Adventure trips.

The Scout's family is responsible for transportation to & from Camp. Please contact the Golden Gate Area Council Camping & Outdoor Programs Department (camping@ggacbsa.org) for questions or more information.

Sunday Check-In

Camp Check-In is scheduled from 12:00 noon until 2:00 PM on Sundays. Your assigned Camp Staff Member(s) will be awaiting your arrival & meet your unit at the Camp parking lot, & then assist you in settling into your campsite & starting your camp tour & check-in. Please do NOT enter camp without completing the initial Check-In.

Required Forms

BEFORE departing home please collect & double check the following documents are complete. Have them readily accessible at Camp to speed up the check-in process. **All campers (adults & scouts) must have all their paperwork & will not be allowed to enter camp without it.**

[BSA Annual Health & Medical Record](#) - ALL Campers, Youth & Adult, must have a current, completed BSA health form with all three sections (parts A, B, & C) & all appropriate parental & doctor signatures. The Health & Medical Record must be valid for the camper's entire stay. They must be renewed annually. None of the Camps are staffed with personnel capable of completing the physical on-site.

[Firearms Permission Slip](#) (see page 47): Youth campers are required to have an Official Firearms Permission Slip to participate in all Shooting Sports activities at Camp. One (1) signed copy is required per Youth. Youth permissions will be identified by their wristband.

Transportation & Parking

Transportation to Camp

Each unit committee plans & provides its own transportation to & from camp. The Check In & Out sections of this guide should be used in planning your trip.

Parking

Camp speed limit is 5 mph. To protect the health & safety of Campers & conserve Camp property. Council policy states that personal vehicles are not to be used on In-Camp service roads. Leaders & visitors should park in the parking lot near the main area of Camp. ALL Vehicles should stop in this lot & Scouts should pack in all personal gear from this point. Parking in Campsites is not permitted.

All vehicles must back-in to park for evacuation purposes. Please remember our Camp properties are fragile environments, keep your vehicle on the main Camp Road. All vehicles should remain in each Camp's central parking lot throughout the week unless you are exiting or entering Camp. Everyone who brings a vehicle onto the property is responsible for keeping their keys on their person at all times in case of an emergency.

Any adults wishing to leave Camp during the week should ensure their Troop leadership know where you are going & when you will return. Leaders leaving Camp at any time need to check out & back in at the Camp Office. For emergency purposes, the Camp Administration must be able to account for each & every Scout & Scout leader at all times.

Camp Wolfeboro Note: There is extremely limited parking at the bottom & top of the hill.

Troop Trailers

All Troop equipment trailers at camp must be parked so as not to obstruct the free flow of traffic.

Tenting

Camp Royaneh & Wente Scout Reservation provide traditional canvas wall tents, whereas units attending Camp Wolfeboro must provide their own tents & transport them to & from camp. Each unit is responsible for providing adequate sleeping space for all members in attendance. Camp Wolfeboro does not provide platforms.

The entrance to each tent must be clearly marked with "No Flames in Tent" & have full dirt & water buckets nearby, per BSA regulations. (Camp makes every effort to have ample containers available.)

Camp Royaneh & Wente Scout Reservation Note: It is vital to respect & maintain the canvas wall tents. Due to past accidents, it is necessary to hold units accountable for damage to tents in use during your stay. Prime examples of damage include Scouts practicing woodcarving, using their pocketknives in their tent & cutting the walls of the tents. These types of accidents are irresponsible of the Scout & disrespectful of the equipment & Camp Property.

Upon arrival your Troop Leadership will inspect tents with your Troop Guide noting any previous damage. During checkout, if any new damage is found, Troops will be responsible for a charge of \$12 per inch up to the replacement cost of the tent. Normal wear & tear is understandable. The Camp Director has the final say on damage.

The additional \$10 per Scout fee for Camp Royaneh & Wente Scout Reservation is used for capital improvements for tent platforms & tent replacement.

Medical Checks

All Scouts & Scout leaders must go through a medical re-check with Camp personnel upon arrival.

All prescription medication brought to Camp must have original containers & original instructions for administration. At minimum, one adult leader will be required to work with Scouts to administer & track medications in the Troop medication log provided at Camp.

The Camp Health Officer will review all prescribed medications listed on the Annual Health & Medical Record during the Med Check.

Incomplete health forms, **including the physician's signature** for Part C will delay the participation of Scouts in Camp activities until completed forms are faxed to Camp. A failure to supply a valid form will necessitate the Scout being picked up from camp.

Dining Hall

During your unit's Check-In & Camp Tour, your unit will receive a Dining Hall orientation. Please alert the Dining Hall Steward of food allergies or dietary restrictions.

The first meal served at camp is Sunday dinner, & the last meal served is Saturday breakfast. For each meal, your unit must provide two hosts for every table that is assigned to the unit. The hosts will come to the dining hall to set up the table for the meal. The hosts should plan to report to the dining hall 15-20 minutes before each meal.

Dietary Needs – Please note ANY scout or Adult leader with food allergies or religious dietary restrictions during online registration. For severe allergies or more complex needs than can't be listed easily, email camping@ggacbsa.org three (3) weeks prior to arrival. Please submit items you can eat as well as those you can't.

NOTE: NO ONE is allowed in the Kitchen Area without permission from the Kitchen Supervisor.

Camp Administration

Wente Scout Reservation - the Administration Building is home to the Camp Office, Skunk's Den with camp history displays, Trading Post, Lost & Found, Health Lodge, & Unit Mailboxes.

Trading Post

If you're looking to purchase camping gear, a camp souvenir, or even a snack, the Trading Post is your one stop shop for all camp necessities. Forgot your toothbrush? Don't worry! Our Trading Posts carry toiletry products that you might have left at home. Trading Posts are stocked with Camp T-shirts! Our pocketknife selection is ever-changing, so make sure to bring money & check out the current stock. Don't forget to have proof that you earned your Totin' Chip with you when you get to the register!

The Trading Post, which is open after meals & during program time, is the place for you to pay for Open session project materials, Target & Range Sports tickets, & trail rides! You can also pickup patches, neckerchief slides, & belt buckles, many unique to specific years of camp. The Trading Post staff is happy to accept cash, check, & all major credit cards.

On average, a Scout spends \$100 during their week at camp. This amount will depend upon the Scout's personal needs & whether the Scout's interests require special purchases such as Open shoot rifle range targets or non-merit badge handicraft items. We ask that Scouts come with small bills to aid in making change. For \$100, we recommend one \$20, four \$10, six \$5, & ten \$1.

Target & Range Sports tickets are available for purchase at all Trading Posts. Tickets are \$2 each. (Please note that tickets are not required for the Target & Range Sports Merit Badges.)

- Archery is Free
- Black Powder: 1 Ticket = 1 shot
- Rifle: 1 Ticket = 1 target, 5 shots per target.
- Shotgun: 1 Ticket = 1 clay pigeon, 1 shot per pigeon

Visitors

Visitors are welcome at each Camp; however, there are a few things to keep in mind before inviting visitors. Camp does not have separate visitor accommodations, and it's important for parents to remember that Scouts will probably be busy with Camp activities. Due to liability considerations and National registration requirements, only registered participants may participate in Camp programs, including staying overnight.

The best time to visit is the last full day of each session (Friday). The cost is \$90 per person per calendar day, meals included.

Uniforms

Field uniforms (a.k.a. "Class A") are worn at all flag ceremonies & at morning & evening meals. During the day & evening, Scouts should wear attire appropriate to the program area in which they are participating. Activity uniforms ("Class B's") are highly recommended. There are **NO laundry facilities** available to campers.

Scout appropriate attire is required at all times. Please see the Appendices for the Golden Gate Area Council Clothing Standards for a detailed description of "Scout Appropriate Attire." Swimsuits & sleeping attire are **NOT** acceptable at meals.

Wente Scout Reservation Communications

Internet

There is a Wi-Fi hotspot at the Administration building & password will be given to Adult Leaders at the Leader's meeting Sunday evening. This is confidential & **NOT** to be shared with any Youth! Our

Check-Out

Leaving Camp Midweek

- All Units or groups of Scouts must check out at the Camp or Program Office before leaving Camp property, such as a day hike to Wolfeboro's Upper Falls.
- Adults who leave during the week must check out at the Camp or Program Office.
- Adults returning to Camp must check back in at the Camp or Program Office upon arrival.

Youth Early Release from Camp Property

For the safety of all Scouts attending Camp, it is the policy of the Golden Gate Area Council to follow these procedures in the event that a Scout must leave earlier than the whole Unit. The following must ALL be in the Camp Office together prior to departure (known at Camp as the Magic 5)

1. The Scout - The Scout must be present & sign out with the Adult Driver's signature.
2. Scout's Annual Health & Medical Record must list the driver as an Authorized Adult.
3. Adult Driver picking up the Scout must report directly to the Camp Office upon arrival.
4. Adult Driver's License & Insurance will be checked for validity.
5. Adult Leader Remaining in Camp verifies Unit knows when & with whom the Scout left.

In an emergency, these procedures can be suspended by mutual agreement of the Camp Director & the Adult Leaders of the Scout's Troop. If such an emergency is declared, Adult Leaders from the Scout's Troop will be solely responsible for verifying safe transportation for the Scout, & that the Scout leaves with an approved Adult. In an extreme emergency, an Adult Staff member may be appointed to transport the Scout. The Golden Gate Area Council, BSA is not responsible for Scouts leaving Camp on an emergency basis, regardless of who transports the Scout.

Health & Safety

Communicable Diseases

With Covid-19 essentially endemic, we are shifting back to a commonsense policy of preventing the spread of communicable diseases. In other words, if any camper (Adult or Youth) or drivers are showing the following signs and/or symptoms within the 24 hours of arrival at camp, please stay home: Running a fever (>100.4 °F), Vomiting, Diarrhea, or New Cough.

Health

Health Facilities

Each Camp has a well-equipped Medical Lodge with a Health Officer trained to handle minor accidents & illnesses.

For each camp arrangements for treatment of more serious cases have been made with medical clinics & hospitals in the surrounding communities. If such treatment is required, attempts will be made to notify the camper's parents. Their desires concerning further treatment will be accommodated wherever possible.

1. It is the responsibility of the unit leadership to provide transportation for unit member(s) requiring services from a doctor or hospital. The camp will provide transportation only when a unit has inadequate transportation, or if an injury requires medical personnel with emergency transportation.
2. One adult leader from the unit must accompany the unit member(s) requiring services to the doctor or hospital. The adult leader must obtain the Scout's health record & any insurance forms from the Camp Health Officer before going to the doctor or hospital. Also, two-deep leadership still applies.
3. Since parent(s) or guardian(s) will be notified of any serious illness or injury, they should provide information about where they can be located if they will not be at home during the week of camp.
4. The Camp Health Officer must clear all cases requiring outside medical care. This is an agreement with the local health services facility & usually required by insurance companies for claim procedures.
5. Those leaving camp **for any medical reasons** should check out with the Camp Health Officer. Upon returning to camp, they must check back in with the Camp Health Officer & show documentation of release & any medical restrictions & care.

If not returning to camp, notify your Unit Leaders at camp or leave a message with the Camp Office.

Health Personnel

A qualified Health Officer is on duty at all times during your stay. The Health Officer is located in the Health Office in the Camp Administration Building. The Camps have arrangements with a local clinic nearby & have access to an ambulance service & hospital in the event of an emergency.

Medical Emergencies

In the unlikely event of a medical emergency while at camp:

Wente Scout Reservation, the patient will most likely be transported to Howard Memorial Hospital in Willits, CA. Urgent Care cases will be sent to Urgent Care in Willits.

Medications

The Boy Scouts of America National policy states:

“All prescription drugs (including those needing refrigeration) are to be kept in locked storage & in compliance with local & state laws. An exception may be made for a limited amount of medication to be carried by a Camper, leader, parent, or Staff member for life-threatening conditions, including bee-sting or heart medication, & inhalers, or for a limited amount of medication approved for use in a first aid kit.”

All medications taken at Camp should be listed on the Annual Health & Medical Record & need to be available during the health screening. Lockers for Unit use will be provided in the Camp Health Lodge. The Unit leader will be given the combination to the locker. Adult Unit leadership will be responsible for seeing that the Scouts needing medication in their Unit take the necessary medications at appropriate times in correct doses. Medications must be recorded in the provided log. This log must be left in the locker at the end of the week.

Access to the lockers will be open 24/7 while Camp is in session to allow access to your Unit locker. Non-prescription medications must be kept under the supervision of the Adult Leaders.

Dietary Needs

See Dining Hall on Page [13](#).

Special Needs

Unit leaders should understand the limitations & strengths of the Scouts in their charge. In some cases, leaders may need additional guidance regarding the extent of appropriate physical activity from the Scout's health-care provider, physical therapist, or teacher, in addition to the parents or guardians. Where a Scout is known to have special needs, it is essential that their Annual Health & Medical Record accurately reflect that condition. Likewise, the camp experience should not be an opportunity for a “medication vacation” – the Scout should maintain the normal prescribed medication while at camp to ensure a positive experience for the Scout & others at camp.

Many Scouts with disabilities can accomplish the basic skills of Scouting, but they may require extra time to learn them. Working with these Scouts can require patience & understanding on the part of unit leaders & other Scouts. A clear & open understanding should exist between the unit leadership & the parents or guardians of a Scout with a disability.

Scouts with special needs will be given opportunities to camp, hike, & take part in other unit activities based on their capabilities & safety. Using accessible facilities is an invitation for Scouts with special needs to feel welcome & able to fully participate. Camp operations may be able to work with the unit leadership to design a program for Scouts with special needs if given adequate advance notice. Please provide the camp staff of your destination camp with as much advance notice as possible, so we can work together to provide the best possible experience for your Scouts. You can connect with them through our Camp Staff Coordinator (Camping@ggacbsa.org).

Insurance

The BSA's Annual Health & Medical Record form requests personal health & accident insurance carrier & policy number. This information is needed in the event someone has a life-threatening condition & is taken to the hospital & the emergency contact person cannot be reached. Doing so meets requirements set by the BSA's insurance provider.

All Units attending camp must be covered by accident insurance.

Drugs, Alcohol, & Tobacco

Prescription drugs must be checked in to the Camp Health Officer. Non-prescription medications (aspirin, cough syrup, etc.) may be used only with the approval of the Camp Health Officers. Local authorities will deal with those using illegal substances at camp. Alcoholic beverages are not allowed in camp! Anyone in possession of, or under the influence of, alcohol will be escorted from camp immediately.

Smoking/Vaping Policy—All buildings & facilities are designated as nonsmoking facilities. Smoking or vaping is not permitted anywhere in camp. All activities will be conducted in a smoke-free environment.

If any Adult must use tobacco, they may do so ONLY in the designated smoking area.

Safety

Emergency Procedures

In the event of an emergency, notify a member of Camp Staff immediately. Do **NOT** attempt to deal with the emergency yourself, regardless of the situation. If the situation seems at all dangerous, as in the event of wildfire, the priority is to evacuate all Scouts & Leaders from the immediate area. For all emergency assembly purposes, a siren will sound, fire bell rung, & ALL Campers should report immediately to the Camp Assembly Area to await further instructions. When your Troop arrives at the Assembly Area, take roll using your Unit Roster printed from Black Pug. A key member of the Staff will ask for a Troop Roll Call. If anyone is missing, Camp Staff or appropriate Emergency Personnel will initiate a search. More information on emergency procedures will be available on your first day in Camp. In all cases, vehicle owners are required to keep their keys with them at all times while in camp.

Emergency drills are held during each session of Camp. When the alarm sounds, all Scouts & Adult Leaders are to report immediately to the designated assembly area.

Fire Safety

National Camp Standards require that each Unit post a completed Unit Fireguard Chart in their Campsite. These forms will be posted on your Campsite's bulletin board prior to your arrival.

Each Campsite has buckets, a shovel, & a rake. Do not remove these tools from your Campsite. Proper means of extinguishing fires should be on hand at all times. In case of extreme fire danger, the California Department of Forestry or the US Forest Service may temporarily suspend our Campfire permit.

Liquid or propane fueled stoves or lanterns are to be operated only under direct adult supervision. Any large quantity of fuel must be stored with the Camp Ranger.

Extreme caution must be taken whenever an open flame is involved. Camp can be a very hot & dry tinderbox during the summer. Be sure that all lanterns used are of approved status.

Fireworks of any kind are illegal & strictly prohibited in Camp. Possession of fireworks will be grounds for immediate dismissal from Camp property & could result in criminal prosecution.

Program Safety

Aquatics

All Scouts & Adult Leaders are required to take the BSA Swimmers Test before participating in any aquatic activity, no exceptions. Waterfront is off-limits when no Staff is present. No swimming is allowed anywhere other than the official Waterfront.

ATVs, COPE, Climbing, Corral

All Scouts & Adult Leaders should only enter these program areas with permission from a staff member who is present at the time. Appropriate safety equipment provided by staff must be worn at all times. These areas all require long pants & closed-toed shoes. The ATV program also requires long sleeves & shoes that cover the ankle.

Target & Range Sports

Permission from a parent or guardian is required for Scouts to shoot at any of our Camp ranges. A single copy of the Firearms Use Permission Slip is required. Troops will submit the completed forms alphabetically by last name. The Scout will then receive a wristband marked certifying that their Permission Slip is on file. The blank form can be found in the Appendix ([p 47](#)).

ALL personal firearms, ammunition, & archery equipment are prohibited in Camp.

Eye & ear protection will be required for all participants & spectators. **Personal protective gear will only be allowed with Rangemaster discretion.** Please present your eye or ear protection for the Rangemaster to inspect or be prepared to use what is provided. All safety equipment is inspected for safety & replaced as necessary.

Protective equipment for Archery is **required to be worn by all participants, Scouts or adults.** Archers will wear finger tabs or gloves & arm guards while actively practicing archery, no exceptions. Failure to adhere to this policy will result in dismissal from range activities.

Red Flags are used to designate a Shooting Range

- If the flag is **DOWN**, the range is closed - - **DO NOT ENTER!**
- If the flag is UP, staff is present, & the range is Open
- Yellow rope or caution tape designates a restricted area - - **DO NOT CROSS!**

Personal Safety

- Closed-toed shoes are required throughout all Camps. The **ONLY** exception is inside the pool or Waterfront areas.
- Everyone should carry a filled water bottle at all times.
- Travel only on designated trails.
- Report safety issues to the Camp Office immediately.
- All Camps operate on the buddy system. Scouts need to have a buddy in program areas, on hikes, & in any other activity they are participating.
- Initiations and/or hazing are strictly forbidden by BSA National Council Policy.
- Non-prescription drugs & alcohol have no place in Camp & are prohibited at all times.
- No flames of any kind are allowed in tents or outside a designated fire ring at any time.
- Fireworks are prohibited by County & State law at all of our Camps.
- Pets of any kind are not permitted at any Camp.

Personal Projectile Throwers

Please leave all personal bows, firearms, & ammunition at home! [For the safety of Camp participants & to be in line with Camp Standards, our Shooting Sports Director must secure ALL designated Firearms on property.](#)

If personal bows, firearms, or ammunition find their way to camp, they must be checked in with the Target & Range Sports Director who will safely store them on the Range until checkout.

Knives

Knives may be necessary in the successful completion of an activity. For these activities, Totin' Chip training is available. All Scouts who carry knives or use other wood-cutting tools must carry their completed Totin' Chip card with them. NONE of the programs offered at camp require the use of a knife with a blade longer than four inches.

Under NO CIRCUMSTANCES are SHEATH KNIVES NEEDED or ALLOWED for participation in the camp programs. Knives of that type will be confiscated for the duration of the week.

Plants & Animals

While most of the animals we have at Camp are harmless, there are some to be very cautious around. Rattlesnakes & cougars occasionally make their way into Camp. Yellow jackets, scorpions, ticks, & spiders can be found lurking just about anywhere; all of them bite or sting & are, in general, very annoying. Instructions on how to deal with each of these will be given at Camp.

Camp Wolfeboro has a real possibility of bears. Each Campsite is supplied with a heavy-duty bear locker. Full "smellable" precautions should be taken at all times as bears do make their way into camp from time to time. Each evening, all trash should be removed from Campsites & deposited in the appropriate location behind the Dining Hall. No food in any tents, as even mini bears (chipmunks & ground squirrels) can do considerable damage to tents & other equipment when searching out food.

Wente Scout Reservation has the perfect climate for growing **Poison Oak**, & we have some nasty patches around. Make sure your Scouts & Adult Leaders know what it looks like (after all, it's an advancement requirement). If you need help just ask a Staff member to point some out.

Valuables

None of the Golden Gate Area Council Camps are responsible for the security of campers' valuables. Leave unnecessary valuables at home; this includes items of sentimental value, such as a compass that has been handed down from father to son. Scouts should not take certain items (jewelry, money, etc.) to the aquatics or high adventure program areas. Some troops bring a "lock box" to store valuables for scouts at camp, but they need to be secured.

Lost & Found

Prior to coming to Camp, Scouts are strongly encouraged to clearly mark all personal items with their name & Troop number for easy identification. Should a Scout inadvertently bring a valuable item, it can be locked inside the Camp Office. Each Camp has a Lost & Found located in the Administrative or Program Office. Describe your lost valuables to the Camp Administration to retrieve them. The Golden Gate Area Council, BSA is not responsible for lost or stolen items at Camp.

Wente Scout Reservation's Lost & Found is kept at the Trading Post. Items left in program areas will be turned in if not claimed by end of day.

Damaged Equipment

Each unit is responsible for taking care of camp equipment that has been issued for their use. If this equipment is damaged, the individual or unit is responsible for cost of repairs or replacement at the discretion of the Camp Director.

General Merit Badge Information

A Merit Badge is recognition for what a Scout has learned & done. The Merit Badge program was designed to help Scouts become familiar with their world & stimulate interest in new subject areas. Furthermore, the program was designed to get Scouts out to meet new people in their community & gain a working knowledge of a given topic.

To earn a Merit Badge at Camp, a Scout must complete the requirements of that badge. A Scout must demonstrate the required knowledge to earn the badge, but we will give them every opportunity to satisfy the requirements they need. Simply showing up to each session does not earn the merit badge, & active participation is required. Completing a Merit Badge certifies the Scout's knowledge.

If the Scout does not complete the requirements, the Scout will not receive the Merit Badge (see Partial Policy). The responsibility for completing these requirements lies solely with the Scout.

Blue Cards

The Camp staff will utilize Black Pug for all merit badge tracking & your online access will allow you to print or re-print your own blue cards at home. Each camp will issue a "blue card" for each newly started merit badge. All advancement is done digitally & can be inspected throughout the week with 24/7 Scouting. Advancement corrections are done on Friday evening.

Partials

There are many badges that have requirements that cannot be completed at Camp. Some of these are due to time-bound requirements, & others simply cannot be done in a summer Camp setting, such as Camping requirement 9a (Camp a total of 20 nights at designated Scouting activities or events). It is the policy of the National Council of the Boy Scouts of America that there is no time limit (other than the Scout's 18th birthday) on a Scout completing a Merit Badge after receiving a partial. All Golden Gate Area Council Camps will honor partials regardless of date or location that requirements were completed. Counselors will ask Scouts to review requirements already signed off to ensure that they are able to properly complete the Merit Badge. It is necessary for Scouts to bring the Merit Badge blue card partial to Camp.

Merit Badge Pamphlets

Scouts taking a merit badge are to provide their own copy of the merit badge pamphlet. The camps will no longer provide merit badge books/pamphlets for Scouts.

Wente Scout Reservation Program

Your program should be based on the needs & desires of the individuals in your unit. To ensure your unit's needs are met, we suggest that your unit have each youth decide, in advance, all the merit badges & other advancement & activities they want to do. Merit badge sign-ups will be accessed through <https://scoutingevent.com/023-WSR2024>. The list of merit badges offered at Wente Scout Reservation with prerequisites & the tentative schedule are located on Pages [29-31](#) & 32, respectively.

Climbing

All participants must wear long pants & closed-toed shoes to participant.

Merit Badges

Eagle Trail

When a Scout enters Eagle Trail, staff will guide them through requirements for rank advancement. The Scout will be taught the skill, then tested. If the scout is successful, he or she will be signed off on the Counselor Record which will posted to the Advancement Board for troop leadership to review. We highly recommend that troop leadership then test your Scout before officially signing off on a requirement in any handbook.

Eagle Trail can verify that a Scout has learned a skill, but the troop will have the ultimate authority to determine if the Scout has "passed the test". Similarly, our staff cannot sign off requirements that only can be completed in a troop setting (attending troop or patrol activities, etc.) all while utilizing the EDGE method.

* Eagle Required **Eagle Required option

While there are 7 sessions of Merit Badges being offered, it is highly recommended that Scouts take one period for them to explore camp, complete rank advancement, hike through nature, participate in the open program, & take care of themselves. While summer camp is a great tool for a Scout to earn Merit Badges, it is also a moment for them to make lasting memories with their peers through unstructured program.

Camp-wide Games

On Friday afternoons, all program areas will transition to Camp-Wide Games. The games give Scouts the chance to have some well-earned recreation time at the end of the week. Things may get silly, messy, wet & sweaty - - so come prepared to have a barrel of laughs & a boat-load of fun.

Theme Days

Join our Camp theme days & show us your Scout Spirit!

- Monday is Scout Spirit/Troop Pride Day...wear your Troop Shirt *while it's still clean!*
- Timberrrr Tuesday, show us your Finney Valley Lumberjack Spirit.
- Wear Your Helmet Wednesday (show off your Safety gear),
- Alternative Uniform Thursday
- Aloha Friday wear your loudest Hawaiian shirts

Order of the Arrow - On Tuesdays, show your OA Pride by wearing your sash or an OA T-shirt. Then join us at the OA Evening Social at the Dining Hall for fellowship, news, fun, patch trading, & as with all good meetings, *snacks*.

Special Programs at Wente Scout Reservation

Adult Dutch Oven Cook-off

You can start your coals whenever you like...but your entry should be brought to the Commissioners for judging during Tuesday evening program! Entries can be in one or both categories: Sweet or Savory! Leaders may NOT accept help (prep, cook OR clean-up) from the Youth! Winners in each category will be announced at the Scoutmaster Dinner on Thursday! Wente has Dutch Ovens, but Adults must bring all of their own ingredients...just be careful not to give away that secret recipe!

Campfires

Troop Campfire night. Your Troop can settle into your campsite for a Wednesday night of bonding or reserve the Amphitheater & get together with other Troops (say from your home district) for a larger Campfire. Don't forget to invite your counselors!

Wente Scout Reservation Traditions

The spirit of Wente whispered its way into the Finney Valley long before the scouts arrived. It came with Finbar & the O'Riley clan, as they homesteaded in the southern hills foraging the plentiful forest, planting fruit trees, & drinking from the many springs to sustain life. Its voice grew as the Finney Valley Lumber Company logged the area leaving behind roads for future access to our beloved camp & beginning a long-standing relationship with the forest that continues today in the Wente Forest Health & Conservation. Scouting & the Wente land seemed destined to join forces to teach the youth then, now & into the future that we are all stewards of Nature...and what better place than this slice of heaven many of us consider our second home.

Wente prides itself on adapting to the needs of our campers & what program best suits their needs at that time. So, although we do have traditions, our favorite one is serving the Youth & giving back to our wonderful camp. Through the years Wente has steadily added new program areas, more campsites, adventures into the backcountry, & off-season opportunities for Units, Scouters & their families to enjoy a sanctuary from the hustle and bustle of the modern world.

GGAC Resident Camp Activity Apparel Standard

Purpose:

Golden Gate Area Council (GGAC) resident camps are the highlight of a Scout's year. As such, proper attire at camp is essential so Scouts & Scouters:

- are prepared for an active & rugged environment,
- can safely enjoy the camp experience,
- can fulfill the Mission & Vision of the Boy Scout of America, and
- uphold the ideals of the Scout Oath & Law,

Definitions:

- Activity Uniform – Often referred to “Class B”, the activity uniform consists of shorts or pants & a Scouting related t-shirt/shirt/tank top. Shirts must be long enough to reach the top of the waistband. Non-Scouting T-shirt/shirt/tank top must follow BSA Scouting policy of scout appropriate & align with the scout Oath & Law: this definition includes, no graphics or statements regarding politics, sexual content, drugs, race, religion, or gender.
- Field Uniform – Often referred to as “Class A”, the field uniform consists of an official uniform shirt & short/pants/skort.

Attire Requirements:

- Field uniform (“Class A”) must be worn for morning & evening flags & morning & evening Dining Hall service unless told otherwise by Camp Staff. Activity uniform (“Class B”) can be worn at lunch. Swimwear or sleeping attire is not acceptable in the Dining Hall.
- During the day & most nights after dinner, the activity uniform (“Class B”) is worn. Scout appropriate attire is required at all times.
- Shorts should enable Scouts to comfortably participate in all camp activities, including mountain biking. We recommend opting for hiking/cargo shorts with an inseam of at least 4 inches. It's important that these shorts are constructed from durable materials suitable for the rigors of an active outdoor environment.
- All undergarments must be covered.
- At the waterfront, Scouts are encouraged to wear swimwear that is suited for active water sports (such as tops: long line & tankini; bottoms: high waist, swim briefs, shorts, jammers & trunks). Swimwear should be comfortable, functional, & appropriate for all aquatic activity allowing Scouts to conduct all forms of swim strokes & lifesaving techniques while remaining secure enough to not shift or fall off while participating. An Activity uniform, as defined above, is expected to be worn when leaving the aquatic area.
- Closed-toed shoes must be worn at all times when not in a designated aquatics area or shower house.

- Additional attire requirements may be necessary for certain activities at Camp (such as horseback riding, ATVs, & climbing); please review the camp's current Leader's Guide for the full list to ensure you are prepared to participate in those activities. Camp Staff will not allow individuals to participate in activities that have additional attire requirements if those requirements are not met.

Applicability:

Campership Information & Application

CAMPERSHIP APPLICATION INFORMATION

Camperships will ONLY be awarded to Scouts registered with the Golden Gate Area Council.

Each year the Golden Gate Area Council grants a limited number of camperships. They are awarded upon proper application & certification to worthy Scouts, who for financial reasons are unable to enjoy a summer camp experience. Camperships are available for Golden Gate Area Council Camps & Scouts only. Camperships are designed to assist Scouting units & families by ensuring that no Scout is deprived of the camp experience because the scout's family lacks necessary funds. Camperships are awarded on a "matching funds" basis; the Scout, parents or guardian, & Unit (troop, ship, crew or pack) contributes supplementary dollars. Please note that the amount of the campership to be awarded is subject to review each year.

Campership applications **MUST** be received at the Council Service Center prior to the **early discount day** of the year you will attend camp (March 27, 2024). We recommend you submit one month before the early discount day & not the day before. This is to ensure there is time to review & respond to each application. Please provide all required information. **Incomplete applications will be discarded.**

To apply for a Campership, the following steps must be completed. All information will be held confidential.

1. The Scout's Family completes the Campership Application.
2. The Unit Leader meets with the Parents or Guardian & determines the Family Contribution amount.
3. On advice of the unit leader, in consultation with the Chartered Organization, the Unit Committee determines the extent to which the Unit/Chartered Organization can support the camp fee. Opportunities for money-earning projects to offset the difference should not be overlooked. **The Scout must have participated in unit, district & council fund raising opportunities within the past year.**
4. The Cubmaster/Scoutmaster/Advisor endorses the application & a letter explaining the unit position with any other information helpful in making a decision & mails/delivers both to the Golden Gate Area Council, 6601 Owens Drive Suite 100, Pleasanton, CA 94588 or email to Melissa.Yarns@scouting.org with subject line 2024 Campership Application.
5. After a committee reviews the application, the Scout's family or the unit will be notified of the amount of financial assistance the council will provide. This notification will act as the official confirmation of the amount of the campership. The online registration portal (247Scouting) will be updated.
6. Camperships are good only in the Golden Gate Area Council camps.
7. **USE ONLY ONE FORM PER YOUTH.** More forms can be obtained at the Council Service Center, you can photocopy this one, and the form is also available on the council web site at <http://www.ggacbsa.org/summercamp/>. *Please note that camperships are non-transferrable.*
8. You must answer every question on the form and the youth, the parent/guardian, and Cubmaster/Scoutmaster/Advisor must sign the form.
9. Campership applications are **NOT** registration forms for camp; they are applications for financial aid for: Cub Day Camp, Cub Weekend Camping, & Summer Camp. You must sign up for camp through your pack, troop, ship, or crew.
10. You must include the camp & date the Scout is attending. If you do not know, ask you Unit Leader.
11. A thank you letter from the youth who have benefited from these funds is appropriate. Thank-you letters may be addressed to the Golden Gate Area Council, 6601 Owens Drive Suite 100, Pleasanton, CA 94588.

INCOMPLETE APPLICATIONS WILL BE DISCARDED. ALL BLANKS MUST BE COMPLETED & PROPER SIGNATURES OBTAINED.

RULES FOR ACCEPTANCE & PARTICIPATION IN THE CAMPING PROGRAM ARE THE SAME FOR EVERYONE WITHOUT REGARD TO RACE, COLOR, OR NATIONAL ORIGIN.

CAMPERSHIP APPLICATION FORM

Camperships will ONLY be awarded to Scouts registered with the Golden Gate Area Council. Camperships will NOT be awarded to Scouts attending multiple sessions of Summer Camp.

Applications with missing information will **NOT** be considered! Please read instructions carefully before proceeding. Must be returned to the Council Service Center before final payment is made for the camp you are applying for. **(Please fill out clearly in ALL CAPS)**
